AYER'S SARSAPARILLA.

Wellsboro, May 12, 1859.

AY ER'S SARSAPARYLLA.

A compound remedy, in which we have labored to produce the most effectual alterative that can be mode. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an affective autidote for the diseases Sarsaparilla is reputed to true. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will abcomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens.—How completely, this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

Serofula and Scrofulous Complaints, Eruptions and Eruptive Diseases, Ulcers, Pluples, Blotches, Timors, Salt Rheum Scald Head, Syphilis and Syphilitic Affections, Mercurial Disease, Dropsy, Neuralgia or Tie Donloureux, Debility, Byspepsia and Indigestion, Eryspelas, Rose or St. Anthony's Fire, and indeed the whole class of complaints arising from impurity of the blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which dester in the blood at that season of the year. By the timely expulsion of them many rankling divorders are nipped in the blad. Multitudes can, by the sid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will stive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Ceanse on the vitiated blood whenever you find it simparifies bursting through the skin in pimples, eruptions, or sores; clease it when you find it is obstructed and sluggish in the veins; clease it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt; people on thy better health, and live longer, for cleaning the blood—keep the blood healthy, and all is well; but with this pabulm of li

cause many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only comain little if any Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is juely despised, and has become synonymous with imposition and cheat. Still we call this compound Expaparilla, and intend to supply such a remedy as shall recent the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete cradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY

Dr. J. C. Ayor & Co,

Dr. J. C. Ayer & Co, Price, \$1 per bottle; Six bottles for \$5. AYER'S CHERRY PECTORAL,

has won for itself such a renown for the cure of every variety of Throat and Lung Complaints, that it is entirely unnecessary for us to reacount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this escition, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

They are signar-coated, so that the most sersitive can take them pleasantly, and they are the best aperient in the world for all the purpose of a family physic.

Price 25 cts. per box; Five boxes for \$1,00. Great numbers of Chergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the uneminest personages, have lent their names to certify the un-paralleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents, below named, furnish gratisour American Almanac in which they are given; with also full descriptions of the above complaints, and the treatment that should be followed for their cure.

For Converting Rotary into Reciprocating

PATENTED FEBRUARY 15, 1859. To Manufacturers, this Invention is of great importance, as either motion is converted into the other by a simple arrangement of means, and with the least possible loss or absorption of power by friction, and applicable to every Machine where these two motions are required. The Cut shows the principle as applied to Common Dash Churus. The undersigned have purchased the Patent Right for this courty, and are manufacturing and selling at the low price of \$5. It is conceded to be the best arrangement for churning Milk or Cream ever invented.

PATENT CHAMPION SAFE. LATE FIRE AT DUBUQUE, IOWA.

LATE FIRE AT DUBUQUE, IOWA.

DUBUQUE, Jan. 7, 1858.

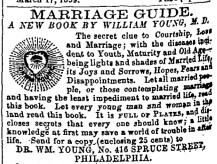

Gents: I am requested by Mr. T. A. C. Cochrana, all this place, to say to you that on the morning of the 4th inst., about 3 o'clock, his store took fire, and the entire stock of goods was destroyed. The heat became so suddenly intense that none of the goods could passibly be saved; but fortunately his books and papers which were in one of your Champion Safes were all preserved perfectly. And well they may be called Champion, for during the whole confignation there was one incessant pouring of fiame directly upon the Safe which contained them. And still upon opening it, the inside-was found to be scarcely warm, while the outside was most severely scorched. Yours truly, the outside was most severely scorched. Yours truly, Mr. A. McCLURE.

Herring's Patent Champion Fire and Burglar-Proof Safes, with HALL'S PATENT POWDER PROOf LOCKS, afford the greatest security of any Safe in the world. Also Sideboard and Parlor Safes, of elegant workmanship and finish, for plate &c.

Decay of the System, large.

Decay of the System, large.

BY B. DE LANEY, M. D.,

The important fact that the many alarming complaints, originating in the imprudence and solitude of youth, may be easily removed without medicine, is in this small tract, clearly demonstrated; and the entirely new and highly successful treatment, as adopted by the Author, fully explained, by means of which everyone is enabled to cure himself perfectly and at the least possible cost, thereby avoiding all the advertised nostrams of the day.
