WELLSBORO' PENNA.

Thursday Morning, August 25, 1859.

☞ The Wellsboro Philharmonic Society will meet in Roy's Building next Monday night.

To CORRESPONDENTS.—"Bones." Your communication is declined for want of due respect, such as comb ing and paring an editor's hair to a hog's bristles; and for other reasons.

☞ Peterson's Ladies' National for September is on hand. Its engravings and fashion plates are good and its contents varied and interesting. Two Dollars a year.

☞ We have the Lady's Book for September. It proves as of Godey rather liked to have competitors in the field, just to show the world how much ahead of all others he can go, in making a popular magazine for the ladies. Sold by Smith & Richards.

☞ Last week before going to press we were requested to announce the name of Silas Johnson Esq., of Delmar, as a suitable person for the office of County Commissioner. We regret that the announcement was overlooked, as it ought to have been before the public prior to the election of delegates.

☞ The Temperance Reform Club met in Roy's Hall on Monday night last and adopted their Constitution and By-Laws. There were several new names added to the list of members. The next meeting will be held at the Odd Fellows' Hall, next Monday evening.

The Temperance Meeting at the Presbyterian Church was well attended. The meeting was addressed by C. Emery, Rev. J. F. Calkins, Hugh Young and others.

☞ Pic Nics seem to be the order of the day. On Saturday last, there were two pic nics of the children attending the schools in different localities in Charlestown. We regret that we were prevented from attending either. The pic nic at Whitneyville was addressed by Mr. Elliott of Cherry Flatts, and the one at Max Hall's was addressed by Mr. Hart and Mr. C. G. Williams. The Brass Band was present at the latter and added to the interest of the occasion.

A Pic Nic was held on Tuesday for the children of the school near the residence of David Heise Esq., in Delmar. We learn that a Pic Nic will take place today at Manchester, and another in Delmar on Friday for the children attending the school of Miss Helen Lewis.

☞ The Elmira *Press* states that Mr. John Blampied, of Elmira, while riding in a buggy, on Monday morning between Mansfield and Covington, Pa., was stopped by a man who caught his horse's bit and springing into the buggy presented a pistol and demanded Blampied's money. He gave up his wallet containing $25. and was compelled to get out of the buggy. The robber drove off, but the alarm being given he left the vehicle and escaped to the woods. If this robbery had happened as represented, we should have heard more about it.

Adjoining Counties.

[Owing to the crowd of legal advertisements in this week's paper, the items under this head are necessarily considerably abridged.]

Potter.—There are quite a number of candidates in the office of Sheriff in Potter county, but we observe that only two of them can afford to pay the printer a dollar for announcing their names. The rest are using the "high pressure" system of electioneering which costs a hundred times as much and is not as effective. We hope the aspirants there and elsewhere, will yet see that the high pressure system is not quite "nothing" either for themselves or their party.

Clinton.—The *Watchman* of last week contains the following item:

FAST TYPE SETTING.—On last Friday, Henry A. Coe, who has been an apprentice in this office seven years, set up 44,489 ems of Long Primer solid in the space of ten hours, having but twenty typographical errors in the whole matter. This is the fastest type setting on record that has ever come to our knowledge. If there are any other apprentices in the State who have worked at the business the same number of months, or any old "Jours" who can beat it, we would like to hear from them."

That isn't much to brag of. We have an apprentice who has been with us one week who can set up twice as much type in five times the length of time and make twice as many typographical errors! The last apprentice worked off our edition of nearly five years and never stopped to eat but twice!

Lycoming.—A new Masonic Lodge, to be known as Keneka Lodge, No. 335, was instituted at Montoursville on Thursday last, according to the ancient usage of the Order for such occasions. Large delegations of the fraternity were present from Williamsport, Muncy, Jersey Shore, Milton and other parts.

—The preparations of the next annual fair of the Lycoming County Agricultural Society are going forward rapidly. An excellent half-mile track for the trial of the speed of horses is nearly completed, and every arrangement for the convenience of exhibitors will be in readiness before the day of opening. A premium list will be published at an early day.

—The work of rebuilding the First Presbyterian Church—destroyed by fire, in May last—is progressing rapidly. It is nearly ready for roofing, and the frame work of the steeple has already reached a height. The roof is to be of slate.

—One night a short time since a drover was robbed at the Stone Tavern, between this place and Montoursville, of four hundred dollars. A man by the name of Guise, residing at Williamsport, who it is said was seen in the neighborhood during the afternoon of that day, and who afterwards passed some of the same kind of money stolen from the drover, was arrested on suspicion of being the robber, and after a hearing was committed to Sunbury jail for trial.—Through the efforts of his friends, however, he was released on bail on Monday of last week, and it is stated his family can prove that he was at home on the night the robbery was committed.—*Luminary.*

—The Pro Slavery Democracy of Lycoming county met in Convention on Tuesday last, and nominated the following ticket: Assembly, Robert Crane; Sheriff, Frederick Shale; Prothonotary, J. S. Runyan; District Attorney, Chas. D. Emery; Treasurer, John Hepburn; Commissioner, Saml. Harris.

The Republicans met in Convention on Wednesday and nominated for Assembly, Lindsey Mehaffey; Sheriff, John Fribley; Prothonotary, Nathaniel Burrowes; District Attorney, Jesse Fulmer; Treasurer, Jacob Waddle; Commissioner, John Reed; County Auditor, Samuel Torbett; Coroner, R. S. Miller; Clerk, Emmer Haines.

M'Kean.—HORSE THIEVES CAUGHT.—The M'Kean Journal of the 6th inst. says: "On Wednesday last a considerable excitement was created in our Borough by the arrival of two men in charge of the proper officers, who had been arrested that morning over on the Ridge road for stealing horses from P. F. Collins, a contractor on the S. & E. R. R., near Buena Vista in Elk Co. The names of the men are Cornelius Deveranse and James Rowley. They left for Erie about 4 o'clock Wednesday afternoon." The report says that two other horse thieves have been taken from that vicinity within a week,

Dr. Wistar's Balsam of Wild Cherry.

WHERE the above preparation is known, it is so well established as an infallible Remedy for the cure of—COUGHS, COLDS, SORE THROAT, HOARSENESS, BRONCHITIS, SPITTING OF BLOOD, PAIN IN THE BREAST, CROUP, WHOOPING COUGH, and every form of Pulmonary Complaint, that it were a work of supererogation to speak of its merits.

Discovered by a celebrated physician more than twenty years since, it has by the wonderful cures it has effected been constantly appreciating in public favor, until its use and its reputation are alike universal; and it is now well known and cherished by all (and their "name is legion") who have been restored to health by its use as the Great Remedy for all the diseases which it professes to cure.

Sir James Clarke, physician to Queen Victoria, has given it as his opinion that

CONSUMPTION CAN BE CURED.

The whole history of this medicine fully confirms the opinion of that eminent man. Thousands can testify, and have testified, that when all other remedies had failed, this had completely cured: that when the sufferer had well nigh despaired, this had afforded immediate relief; that when the physician had pronounced the disease incurable, this has removed it entirely.

The virtues of this Balsam are alike applicable to cure a slight cold or a CONFIRMED CONSUMPTION, and its power as a safe, certain, speedy, pleasant and effectual remedy cannot be equalled.

☞ CAUTION! Purchase none unless it has the written signature of "I. BUTTS" on the wrapper, as well as the printed name of the proprietors.

Read the following Letter:

Gentlemen: Having used Dr. Wistar's Balsam of Wild Cherry in my practice with great success, I most cheerfully recommend it to those afflicted with OBSTINATE COUGHS, COLDS, or Asthma. (Signed,) H. G. MARTIN, M. D.

Mansfield, Tioga Co., Aug. 1858.

The New American Cyclopedia is popular without being superficial, learned, but not pedantic, comprehensive but sufficiently detailed, free from personal pique and party prejudice, fresh and yet accurate. It is a complete statement of all that is known upon every important topic within the scope of human intelligence. Every important article in it has been specially written for its pages by men who are authorities upon the topics of which they speak. They are required to bring the subject up to the present moment; to state just how it stands *now*. All the statistical information is from the latest reports; the geographical accounts keep pace with the latest explorations; historical matters include the freshest just views; the biographical notices not only speak of the dead but of the living. It is a library of itself.

ABRIDGMENT OF THE DEBATES OF CONGRESS.—Being a Political History of the United States, from the organization of the first Federal Congress in 1789 to 1856. Edited and compiled by Hon. Thomas H. Benton, from the official Records of Congress.
