Hostetter's Stomach Bitters.

HOSLELLET'S SLOMACH BILLERS.; IN VIEW of the fact that every member of the human family is more or less subjected to some complaint, be-sides information in the state of the state of the second state they nay be able so to regulate their habits of dict, and with the assistance of a good tonic, secure permanent health. In order to accomplish this desired object the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life; for this end Dr, llosterter has introduced to this country a prep-aration bearing his name, which at this day is not a new medicine, but one that hos been tried for years, giving asti-faction to all who have used it. The Bitters operate power-faction to all who have used it. Dyspepsia, a disease which is probably more prevalent when taken in all its various forms, than any other, the cause of which may always be attributed to derange-ments of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recom-mend Bitters of some kind, then why not use an article to be infallable? Every country have their Bitters as a prevent-ative of disease and strengthening of the system in general, and among them all there is not to be found a healthier peo-ple than the Garmans, from whom this preparation emana-et, based upon scientific experiments which have theded to alyance the destiny of this great preparation in the medical scale of science.

FFVER NR AUT.-This trying and provoking disease, which fasters its relentless grasp on the body of man, reducing him to a neter shadow in a short space of time, and readering him physically and mentally useless, car be defeated and driven from the body by the use of HOSTETTER'S RE-NOWNED HITTER'S. Further, any of the above stated dis-ted diseases cannot be contracted when exposed to any ordi-nary conditions producing them, if the Bitters are used as per directions. And as in either creates nauses, nor offends the palant, and rendering innecessary any change of died or interruption to n-and pursuits, but promotes sound sleep and healthy digestion, the complaint is thus remised as speedily as is con-sitent with the production of a thorough and per-manent (use.
