By sentery, Colic, Cholern Morbus, 4c., these Bitters have not an equal. Diarchoca, Dysentery or Flux, so generally contracted by new settlers, and caused principally by the cange of water and diet, will be sbeedly regulated by a bird nee of this preparation. Dyspepsia, a disease which is probably more prevalent when taken in all its various forms, than any other, the cause of which may always be attributed to derange-ments of the dyscitwe organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions in the bettle. For this discusse every physician will recom-mend Bitters of some kind, then why not use an article to be infallible? Every country have their Bitters as a preven-tifve of discase and strengthening of the system in general, and among them all there is not to be found a bestliker peo-ple than the Germane, from whom this preparation emann-ted, based upon scientific experiments which have tended to ashance the destiny of this great preparation in the incide ashance the destiny of this great preparation is the medical scile of science.
