IMPORTANT TO FEMALES. DR. CHEESEMAN'S PILLS,

PREPARED BY CORNELIUS L. CHERSEMAN, M. D.

Hostetter's Stomach Bitters.

In VIEW of the fact that every member of the human family is more or less sabjected to some complaint, besides incumerable other conditions in life, which by the assistance of a little knowledge or exercise of common sense, they may be able so to regulate their habits of diet, and with the assistance of a good tonic, set ure permanent health. In order to accomplish this desired object the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life; for this end Dr, Hostetter has introduced to this country a preparation bearing his name, which at this day is not a now medicine, but one that hos been tried for years, giving satisfaction to all who have used it. The Bitters eperate powerfully upon the stomach, bowels and liver, restoring them to a healthy and vigorous action, and thus by the simple process of strengthening nature, enable the system to triumph over disease.

over disease.
For the cure of Dypepsia Indigestion, Nausca, Flattlency, Losa of Appetite, or any Billious Complaints, arising from a morbid inaction of the Stimach or Bowels, producing Cramps, Dyscutery, Colic, Cholera Morbus, &c., these Bitters have not an equal.
