WELLSBORO' PENNA. Thursday Morning, March 1, 1860. Don't forget the lecture to-morrow evening at

Court House by C. D. Emery Esq. 1 meeting of the Wellshoro Republican Club the held in Roy's Hall on Tuesday evening of next A general attendance is desired.

The Ladies' Aid Society met in Roy's Hall on parder evening of last week. It was a very pleasdefisir, with the accompaniments of music, charades, - cresm, etc.

The sanctum was enlivened on Saturday of ut week, by the presence of the editor, who had esred for a few days from the duties of his office at ..hington.

We notice in the Buffalo Express, among the ent graduates at the Buffalo University, the name DANIEL BACON of this place, who has received the Borable degree of "M. D."

AT We notice in the Owego Times that our old ed Frank L. Jones Esq. has been appointed by y Morgan, Sheriff of Tioga county, New York, vice relief removed, Mr. Jones was formerly Sheriff of eter county in this State and made an excellent and pular officer.

We have received a number of communications hich, though worthy, we must decline, as they are companied by no responsible name. We have so ten spoken of anonymous articles being refused that se are astonished that so sensible a person as "Peggie sauc" should repeat the experiment.

In another column will be found a communition from Mirandi Jones which will be read with atnon. Now while we assent to everything she may From say of the editor of the Democrat, believing Asiat is impossible to hit that individual amiss, we gest confess that we do not adopt her ideas of what astitutes a "gentleman," for if the qualifications it indicate: are absolutely necessary, we have not hen deserving of that title since the "long time ago" when we had our last new suit. However if any one tels more aggrieved than we do, they are at liberty massist Mirandi in settling the important question of dat constitutes a gentleman, in our columns.

ANOTHER TRAP.—We verily believe that our conty is to become the great emporium of Rat Traps, ed will acquire as great a reputation from them as canecticut enjoys from the manufacture of hickory and basswood hams. We have been favored whalook at a trap, the result of the ingenuity of o. & I. R. Spencer of Mansfield, Pa., which is the Ma invention for the same purpose to which our atn't what trap is the most deserving, as the public ril no doubt choose to decide for themselves, but can commend Spencer's trap as worthy of a trial. The mention consists in the use of a revolving partition naced within a suitable box, and provided with a ges lie catch, bait box and discharge opening, where-'t the device may be placed over a barrel of water. mi the animals not only entrapped but destroyed at De same time ; the trap setting itself after each opercon of entrapping.

AT EXHIBITION.—The exhibition of the Student's the Wellsboro Academy, came off at the Court use, on Friday evening, and notwithstanding the amittance fee, to an overcrowded house. The Exhiwhit apout its gotters up. The speaking was excel-gation "Kittle's Musings" by little Eva Dartt, and zespeech of Willie Shakespear up to the political rimoral disquisitions of the young men, and showed at only good taste in selection, but the evidences of neful training in gesture and delivery. A recitation m Iliawatha—(Famine) was well spoken by Miss large Bodine, and a number of amusing speeches the smaller boys that we have not space to speak at length. The tableaux were interesting and atratice, the young ladies and gentlemen entering inthe spirit of their parts with great energy and sucon A Colloquy, entitled the "Tea Party," of an-ope females, presided over by the veritable Mrs. amington, brought down the house. Two other Colmy s, catitled, "How to Recognize a Brother" and Cure for the Heart-ache" in which the principal charters were represented in inimitable style by G. W. Merrick and A. P. Roberts, were received with great toplause, "The Mission of Spirits" and "The Ofenings"-Colloquys-by the young ladies, were retered with marked attention, but whether caused by the beauty of the acting, or the actors, we are unable secide. The valedictory address was spoken by t. Lewis Bodine. The entertainment was enlivened y music from the Wellsboro brass band.

it is a source of regret that with this term Mr. Buragame's connection with the Academy ceases. In he time he bas been with us he has won the respect the community, and will carry with him wherever it goes the best wishes of all with whom he has been ssociated.

healthy digestion, the compann is thus removed as specially as is consistent with the production of a therough and permanent cure.

For Pelasone in Advinced Years who are suffering from an enfeebled constitution and infirm body, these Bitters are invaliable as a restorative of strength and siger, and needs only to be tried to be appreciated. And to a mother white mising, these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hosteter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remely for all cases of debility, and before so doing, ask your physician who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakners.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for Hoster trans Celebrater Stomach Bitters' blows on the side of the bottle, and stamped on the initialic cap covering the cork, and observe that our autograph signature is on the label.
