THE AGITATOR.

WELLSBORO' PENNA. Thursday Morning, March 15, 1860.

S. M. PETTENGILL & Co., 119 Nassau St., New York, and 10 State St., Boston, aro the Agents for the Agiator, and the most influctilal and largest circulating Newspapers in the United States and the Canadas. They are authorized to con-tract for us at our lowest rates.

20 H. A. GUERNSEY, Esq., of this Boro, has been appointed Delegate to the Charleston Convention.

The Spring Term of the Mansfield Classical Seminary commences March 28th.

29 See advortisement of McInroy & Bailey in another column.

Also, of Tioga Regulator, by Geo. F. Humphrey. TO CORRECTION .- The last paragraph but one in the Communication of J. Emery last week, should

read-"Is it for the interest" &c. 78 RUNAWAY .- On Saturday, of last week, a horse, belonging to Joel Catlin got frightened and run, taking a post through Main Street with him. We

learn that he was badly hurt. 7 THE WEATHER .- Monday will be remembered as being a very cold day to many of our citizens. It was so cold that a few of them had to carry a bottle of strychnine in their pockets, with the contents in their brains, to keep from freezing.

The Tioga County Musical Association held 5 its annual Convention at Tioga Village, under the 5 direction of Prof. L. M. Fox, commencing February 28th, and continued four days. The proceedings were received too late for last week's issue. They will be found in another column.

7.5 FRESHET .--- The rain and mildness of the weather of last week were sufficient to produce a "rafting freshet," yet few were prepared to take ad-vantage of the flood and float their lumber to Southern markets. Those who did succeed to launch their rafts, have certainly suffered a great deal from the effects of wind and storm, since their departure.

73 SPECIAL ELECTION .- A special election was held in this Boro on Saturday of last week, for the purpose of electing a Burgess. The election resulted 55 in the choice of Rudolph Christenat. There were 5 three candidates in the field, who respectively received 29.7 and 3 votes each. R. Christenat receiving a majority over the other candidates was duly declared elected. We should think Mr. Christenat would make a very good Burgess.

2.27 A FIENDISH OUTRIGE IN ADDISON .--- Last week a brute named Bccraft, and employed by Charles Phillips, of Addison, attempted to violate the daughter of his employer, a little child only three years old ; but was prevented by the timely interference of the child's mother. Mr. Phillips immediately discharged Becraft, procured a heavy horse whip, and gave the villain a terrible castigation, after which he applied a cuat of tar and cotton, and set him adrift toward Pa. He left a wife and child in Knoxville, Pa., about a year ago .-- Elmira Advertiser.

IP ARE YOU GOING ?- The Spring Term of the Academy commences Monday. April 2d, and continues fourteen weeks, as will be seen by the advertisement. The Trustees have certainly used discretion by chapging the Academic year from four to three terms. The change is evidently advisable both as respects chenpness and efficiency, since the patrons thereby receive proportionably an increase of labor and consequently benefit for less money in the shape of tuition.

Some say, they are unable to pay increased rates of tuition; they fail to see that the increase of tuition. is proportionably less than the increase of time. Viewing the matter in a pecuaiary point of view, we see then that the contemplated change is manifestly in accordance with the feelings of those who desire increased facilities without increase of cost. The proper development of the mind should not be estimated by dollars and cents. We should remember that virtuous and educated men are the ornaments of that virtuous and coucated men are the ornaments of their parents. They are more. They are the orna. H472 ments of the community. They go out from the Aca-1582 ments of the community. They go out from the Aca-1583demic Hall-not simply to bear their father's namenor merely to swell the number of laborers, of arti-4473 sans, and of professional men,-but to enlarge the happiness, the reputation, the efficiency and the eleva-5048tion of society. 5497
