The Organ at the Episcopal Church has, we rightend, during the past week been undergoing patrepairs, and is now in excellent order. September 30, 1858. Hostetter's Stomach Bitters.

Hostetter's Stomach Bitters.

In view of the fact that every member of the human family is more or leas subjected to some complaint, besides innumerable other conditions in life, which, by the assistance of a little knowledge or exercise of common sense, they may be able so to regulate their labits of diet, and with the assistance of a good tonic, secure permanent health. In order to accomplish this desired object the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life; for this end Dr. Hostetter has introduced to this country a preparation bearing his name, which at this day is not a new medicine, but one that hos been tried for years, giving satisfaction to all who have used it. The Bitter's operate powerfully uppy the stomach, bowels and liver, restoring them to a healthy and vigorous action, and thus by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia Indigestion. Nausea, Flatulency, Loas of Appetite, or any littious Complaints, arising from a morbid maction of the Stunach or Bowels, producing Crampe, Plysentery, Cale, Cholera Morbus, &c., these Batters have not an equal.

Pysentery, Colic, Cholera Morbus, &c., these Butters have not an equal.

Distribuea, Dysentery or Flax, so generally contracted by new settlers, and caused principally by the enage of water and dets, will be sheedly regulated by a brief use of this preparation, Dyspepsia, a disease which is probably more prevalent when taken in all its various forms, than any other, the cause of which may always be attributed to derangements of the digestive organs, can be cured without fully using HOSTETTER'S STOMACH BITTER'S, as per directions in the bottle. For this disease every physician will recommend fitters of some kind, then why not use an article to be infallible? Every country have their Bitters as a preventiative of disease and strengthening of the system in general, and among them all there is not to be found a healther people than the Germans, from whom this preparation enuanted, based upon selectatic experiments which have readed to advance the destiny of this great preparation in the medical scale of science.

EFFERAN AGER.—This tiving and provoking disease, which

im physically and mentally weeks, car be defisited and driven from the body by the nw of HOSTETTER'S RENOWNED HITTERS. Further, any of the above stated distional states are also be contracted when exposed to any ordinary conditions producing them, if the Bitters are nwed as 
per directions. And as it neither creates nausea, nor offends 
the palatt, and rendering unnecessary any change of died or 
interruption to usual pursuits, but promotes sound sleep and 
healthy digestion, the complaint is thus removed as speedily as 
is consistent with the production of a therough and permanent care.

For Persone in Advanced Years who are suffering from an 
confeeled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and needs 
only to be tried to be appreciated. And to a mother while 
nvrsing, these Bitters are indispensable, especially where 
the mother's nourishment is inadequate to the demands of 
the child, consequently her etrength must yield, and here it 
is where a good tonic, such as Hostetter's Stomach Bitters, is 
newled to inquart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of dehility, and before so doing, ask your physician who, 
if he is acquainted with the virtue of the Bitters, will recomment their use in all cases of weaknes.

CAUTION.—We caution the public against using any 
of the many imitations or counterfeits, but ask for Hosterter's Callerance Stomach Bitters' blown 
on the side of the bottle, and stamped on the in tallic cap 
covering the cork, and observe that our autograph signature 
is on the label.
