## Hostetter's Stomach Bitters,

Hostetter's Stomach Bitters.

In view of the fact that every member of the he family is more or less sabjected to some complainty and in the more of the sabjected to some complainty may be able so to regulate their habits of due with the assistance of a good tonic, secure permanenth in order to accomplish this desired object the true compursue is certainly that which will produce a natural of things at the least hazard of vital attength and lift this end Dr. Hostetter has introduced to this country a ration bearing his name, which at this day is not a medicine, but one that hos been tried for years, giving faction to all who-kave used it. The Bitters operate p fully upys the stomach, bowels and liver, restoring the a healthy and vigorous action, and thus by the simple cess of strengthening nature, enable the system to trie over disease.

For the cure of Dyspepsia. Indigestion, Nausea, Flatul Loss of Appetite, or any Billious Complaints, arising for the strengthening thas the order of the Strengthen a sendicine is restored.

Loss of Appetite, or any Billious Complaints, arising morbid inaction of the Stimach or Bowels, producing Dysentery, Colic, Cholera Morbus, &c., these Bitters h

morbid inaction of the Stinach or Bowels, producing & Dysentery, Colic, Cholera Morbus, &c., these Bitters ha an equal.

Diarrhoea, Dysentery or Flux, so generally contract new settlers, and caused principally by the cange of and diet, will be absently regulated by a brief use of preparation. Dysgepsia, a diesesse which is probably prevalent when taken in all its various forms, that any the cause of which may always be attributed to deficient of the digestive organs, can be cured without using HOSTETTER'S STOMACH BITTERS, as per diregge the bottle. For this disease every physician will mend Bitters of some kind, then why not, use an art be infallible? Every country have their Ritters as aprairie of disease and strengthening of the system in gand among them all there is not to be found a healther ple than the Germans, from whom this preparation etcl. based upon scicutific experiments which have ten advance the destiny of this great preparation in the measurement of the strength of the system in gand among them all there is not specific experiments which have ten advance the destiny of this great preparation in the measurement of the strength of the specific experiments which have ten advance the destiny of this great preparation in the measurement of the specific experiments which have ten advance the destiny of this great preparation in the measurement of the plant, and the specific experiments which have ten him physically and mentally useless, can be defeated diseases cannot be contracted when exposed to any nary conditions producing them, if the Bitters are uper directions. And as it neither creates nauses, nor of the palatt, and rendering unnecessary any change of directruption to usual pursuits; but promotes sound stehealthy digestion, the complaint is thus removed as spens is consistent with the production of a thorough amanent cure.

For Personz in Advanced Years who are suffering for

nearthy digestion, the companion in a thorough as is consistent with the production of a thorough am manent cure.

For Perrows in Advanced Years who are suffering for enfeebled constitution and infirm body, these Bitters avaluable as a restorative of strength and vigor, and only to be tried to be appreciated. And to a mother novesing, these Bitters are indispensable, especially the mother's nourishment is inadequate to the demit the child, consequently her strength must yield, and is where a good tonic, such as Hostetter's Stomach Esign where a good tonic, such as Hostetter's Stomach esign where a good tonic, such as Hostetter's Stomach is where a good tonic, such as Hostetter's Stomach is needed to impart temporary strength and vigor to be term. Ladies should be all means try this remedy for ses of debuilty, and before so dding, ask-your physical fit he is acquainted with the virtue of the Bitters, willing mend their use in all cases of weakness.
