Hostetter's Stomach Bitters Hostetter's Blomach Bitters:

In view of the fact that every member of the hamby is more or less sablected to some complaining the same of the same complaining the same of a little knowledge or exercise of common they may be able so to regulate their habits of die with the assistance of a little knowledge or exercise of common they may be able so to regulate their habits of die with the assistance of a good tonic, secure permanent. In order to accomplish this desired object their neo pursue is certainly that which will produce a natural of things at the lesst hazard of vital strength and le this end Dr., Hostetter has introduced to this country aration bearing his name, which at this day is not medicine, but one that has been tried for years, giving faction to all who have used it. The Bitters operate fully upyn the stomach, lower and thus by the simp cess of strengthening stature, enable the system to over alsease.

For the cure of Dystensia Indigestion, Nausea, Vist.

cess of strengtuents; the control of the core of Dyspepsia. Indigestion, Nausca, Fla For the cure of Dyspepsia. Indigestion, Nausca, Fla Loss of Appetite, or any Billious Complaints, arisin morbid inaction of the Stimuch or Bowels, producing Dysentery, Colic, Cholera Morbns, &c., these Bitters

morbin injector of the strainer of rowers, proucing to Dysontery, Colic, Cholera Morbins, &c., these Bitters his an equal.

Diarrhoca, Dysentery of Flux, so generally contract new settlers, and caused principally by the cange of and diet, will be sheedily regulated by a brief used preparation, Dyspepsia, a disease which is probably prevalent when taken in all its various forms, than any the cause of which may always be attributed to dements of the digestite organs, can be cared without using HOSTETTEE'S STOMACH BITTERS, as per dire and the bottle. For this disease every physician will imend Bitters of some find, then why not use an artise infallible? Every southry have their Bitters as a prative of disease and strangthening of the system in gand among them allithers is not to be found a healthly let than the Germania from whom this preparation etc.), based upon scientific experiments which have ton divance the destiny of this great preparation in the mescale of science.

advance the destiny of this great preparation in the meate of science.

Fyera Ann Ague.—This trying and provoking disease, fastees its relentless grasp on the body of man, reducing to a miere shadow in a short space of time, and rending physically and mentally useless, can be defeate driven from the body by the use of HOSTETTER: NOWNED BITTERS. Further, any of the above stated diseases cannot be contracted when exposed to an nary conditions producing them, if the Bitters are per directions. And as it neither creates numses, nor the palatt, and rendering innecessing any change of interruption to usual pursuits, but promotes sound she healthy digestion, the complaint is thus removed as a as is consistent with the production of a thorough at manent cure.

interruption to usual puranits, but promotes sound sies, healthy digestion, that complaint is thus removed as speas is consistent with the production of a thorough and manent cure.

For Persone is advanced Teams who are suffering freenfeebled constitution and infirm body, these Bitters valuable as a restorative of strength and vigor, and only to be tried to be appreciated. And to a mother variety, these Bitters are indispensable, especially with mother's nourishment is inadequate, to the, deam the child, consequently her strength must yield, and is where a good tonic, such as Housteter's Stomach Bis needed to impart temporary strength and vigor to be time. Ladies should by all means try this remedy for see of debility, and before so doing, ask your physician if he is acquainted with the vitue of the Bitters, will rement their use in all cases of weakness.

CAUTION.—We cantion the public against using of the many imitations or counterfeits, but ask for Hz teas Celleraters Stomach Bitters' Use on the side of the bottle, and stamped on the metallic covering the cork, and observe that our autograph significant is not be label.
