Sometimes it burst out in Ulcers on thy hands and arong sometimes it turned inward and distrasced me at the destach. Two years ago it brake out on my head and covered my wells and elter with one sord which was painful and loutingous beyond description. I tried many medicines and so first physicians, but without much relief from any things! In fact the disorder grew worse. At length I was rejuced to read in the Gospel Messenger that you had prepared an atterative (Sarsapai illa), for I knew from your reputation that anything you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspounful over a mouth, and used almost three bottles. New and healthy skin soon formed quader the teab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. Dr. J. C. Ayer. Sir, I cheerfully comply with the request of your agent and report to you nome of the effects I have realized with your earstandials.

I have cured with it is my practice, most of the complaints for which it is recommended, and have found its effects till you wonder tall in the cure of Neuroral and Murcureal Blease One of my patients had Syphilitic ulcers in his throat which were remeabling his palate and the top of his mouth. Your Sarsaparilla, steadly taken, cured him in five weeks. Apother was attacked by secondary symptoms in his hose, and the interaction had eaten away a considerable part of it, so that I behaved the disorder would seen reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not you course without some disagrarition to his face. A woman who had been treated for the same disorder by murcury was sufficing from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excited lating pain in her joints and bones. She, too, was cured entirely by your Sarsaparila in a few weeks. I know from its formula, which your agent gave me, that this preparation from your labratory, must be a great remedy; consequently, these truly remarkable results with it have not surprised me.
