TO THE PEOPLE OF THE UNITED STATES!!

In the month of December, 1858, the undersigned for the first time offered for sale-to the public Dr. J. Bovec Dods' Imeprial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental miscry arising simply from a neglect of small complaints is urprising and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailment should be had; for diseases of the body most invariably affice the mind. The subscribers now only ask a trial of

produce their equal. These Bitters for the cure of Weak Stomachs, General bebility, and for Eurifying and Enriching the Blood, are absolutely unsurpassed by any other remeily on carell. To be assured of this, it is only necessary to make the trial. The wine itself is of a superior quality, being about one-third atronger than other wines; warming and in igorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation romoving obstructions, and producing a general warmth' They are also excellent for Diseases and Westiness peculiar to Females, where a Tonic is required to strengthen and brace the system. No. Lady, who is subject to lussitude and faintness, should be without them, as they are reviving their action.

THESE BITTERS Will not only Cure, but Prevent Disease, and in this respect are doubly valuable to the person who

mày nse them. For INCIPIENT CONSUMPTION. Yeak Lungs, Indigestion, Dyspepsia, Discases of the Nervens System, Paralysis, Elies, and for all cases requiring a Tonic Dr. Dods' Celebrated Wine Bitters

There was I believe the or two is failst among their friends, but I have not Brandy or Wine, without intexicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded. These Bitt rs not only CURE but PREVENT Disease, and should be used by all who live in a country where the water

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these truly valuable BITTERS over the land, and thereby essentially aid in banishing Drunkbuness and Discase.

In all Affections of the Head, Sick Headache, or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most Saintary and Efficacious.

FEMALES.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.
