READING AND EDITING.—Some music teachers think that "the art of playing on a violin requires the keenest perception and the most sensibility of any art in the known world." Upon which an editor comments in the following manner: "The art of editing a country newspaper and making it pay, at the same time have it please everybody, beats the violin by a mile."

TO THE PEOPLE

OF THE UNITED STATES!!

In the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to many thousands of persons who have tried them that it is now an established fact. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling ailment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS!!

From all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The wine itself is of a superior quality, being obtained from stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation removing obstructions, and producing a general warmth.

They are also excellent for Biliousness and Windiness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are reviving their action.

THESE BITTERS Will not only Cure, but Prevent Disease, and in this respect are doubly valuable to the person who may use them.

INCIPENT CONSUMPTION, Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic.

Dr. Dods' Celebrated Wine Bitters ARE UNSURPASSED For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only CURE BUT PREVENT Disease; and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these truly valuable BITTERS over the land, and thereby essentially aid in banishing Drunkenness and Disease.

In all Affections of the Head, Sick Headache, or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most Salutary and Efficacious.

FEMALES.—The many certificates which have been tendered us, and the letters which we are daily receiving, are a conclusive proof that among the women these Bitters have given a satisfaction which no other have done before. No woman in the land should be without them, and those who use them will not fail to keep a supply.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS Are prepared by an eminent and skillful physician, who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve Dr. J. BOVEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous exhalation is created, these Bitters should be used every morning before breakfast.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS Are composed of a pure and unadulterated Wine, combined with Barbary, Solomon's Seal, Comfrey, Wild Cherry, Tree Bark, Epinephora, Chamomile Flowers, and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrums which flow the country, and against which the Medical Profession are so justly protected.

These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a TONIC, MEDICINE AND A BEVERAGE.
