NEW WHEAT FLOUR at WRIGHTS & BAILEYS TO THE PEOPLE

OF THE UNITED STATES! In the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. Boveo Dods' Imeprial Wine Bitters, and in this shor period they have given such universal satisfaction to the many thousands of persons who have tried them that it is not an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising and it is therefore of the utmost limestance the a strict attention to the least and most trifling boo should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

DR. J. BOVEE DODS'

IMPERIAL WINE BITTERS!!! from all who have not used them. We challenge the world

to produce their equal. These Burrans for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial The wine itself is of a superior quality, being about one third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters ar tonic and alterative in their character, so they strengther and invigorate the whole system and give a fine tone and healthy action to all its parts; by equalizing the circulation removing obstructions, and producing a general warmt They are also excellent for Diseases and Weakness peculia to Pemales, where a Tonic is required to strong then and brace the system. No. Lady, who is subject to es, should be without them, as they are reviving their action.

THESE BITTERS Will not only Cure, but Prevent Discase, and in this respect are doubly valuable to the person who may use them. For

INCIPIENT CONSUMPTION. Weak Lungs, Indigestion, Dyspepsia, Discuses of the Nerveu System, Paralysis, Piles, and for all cases requiring a Tonic Dr. Dods' Celebrated Wine Bitters

ARE UNSURPASSED! For Sore Throat, so common among the Clergy, they ar

truly valuable. For the aged and infirm, and for persons of a weak con stitution-for Ministers of the Gospel, Lawyers, and all pu lic speakers-for Book-Keepers, Tallors, Seamstresses, Stu dents, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and deliciou to the taste. They produce all the exhibiting effects a Brandy or Wine, without intexicating; and are a valuable remody, for persons addicted to the use of excessive stron drink, and who wish to refrain from it. They are pure an entirely free from the poisons contained in the adulterate Wines and Liquors with which the country is flooded ..

These Bitt re not only CURE but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Feyers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and infanta with impunity.

Physicians, Clergymen, and temperance advocates, as qu act of humanity, should assist in spreading these truly valuable BITTERS over the land, and thereby essentially ai in banishing Drunkenness and Disease.

In all Affections of the Head, Sick Head ache, or Nervous Headache, Dr. Dods Imperial Wine Bitters will be found to he most Salutary and Efficacious.

FEMALES. The many certificates which have been tendered us, and

the letters which we are daily receiving, are conclusive prothat among the women those Bitters have given a satisfa tion which no others have done before. No woman in the land should be without them, and those who once use then will not fall to keep a supply,

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS

Are propared by an eminent and skillful physician who has need them encounfully in his practice for the last twenty-fiv years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bove Dods' Celebrated Im-perial Wine Bitters, had them tested by two distinguished medical practitioners who pronounced them a valuable

remedy for disease. Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE

In all newly settled places, where there is always a large quantity of decaying simber from which a poisonous missing is created, these Bitters should be used every morning b. fore

Are zomposed of a pure and unadulterated Wine, combined with Barberry, Solomon's Seal, Confrey, Wild Cherry Tree Bark; Spikenard, Chamomile Flowers, and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack postrums which flood the country, and against which the Medical Profession are so justly preju
