Corning, Dac. 4, 1361:

AYER'S CATHARTIC PILLS

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of siekness is creeping upon you, and should be averted by a timely use of the right remedy. Take A er's Pills, and cleans out the diverdered by mystematic the blood. oleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body inte vigorous activity, purify the system from the obstruc-tions which make disease. A cold settles somewhere in the body, and obstructs its natural functions.— These, if not relieved, react upon themselves and the These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition oppressed by the derangements, take Ayar's Fills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, of the body, they are rapidly, and many of them surely, cured by the same means. None who know the vir-tues of these Pills, when suffering from the disorders bey cure.

Statements from leading physicians is some of the principal cities, and from other well known public

From a Forwarding Herehant of St. Louis. Feb. 4, 186. DR. AYER: Your Pills are the paregon of all that is great in medicine. They have cured my little dangiter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mether has been long grievously afflicted with blotches and pim-ples on her skin and in her hair. After our child was cured, she rise tried your Pills, and they have cured her.

-As a Famny Physic. From Dr. E. W. Cartwright, New Orleans. Your Pills are the prince of purges. Their excel-lent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their ac-tion on the bowels, which unkes them invaluable to us in the daily treatment of disease. Headache, Sick Headache, Paul Stomach.

From Dr. Edward Boyd, Baltimore. DEAR BRO. AYER: I cannot answer you what com plaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartis in my daily contest with disease, and believing as I de that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1856. DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a duse or two of your Pills. It seems to arise from foul stomach, which they cleanse at once. Yours with ED. W. PREBLE. Clerk of Steamer Clerion.

Bilious Disorders-Liver Complaints. From Dr. Theodore Bell, of New York City. Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Livr very marked indeed. They have in my practice proved more effectual for the cure e bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Department of the Interior, Washington, D. C., 7th Feb. 1856. Sin: I have used your Pills in my general and hospital practice over since you made them, and cannot hesitate to say they are the best cathartic we can ploy. Their regulating action on the liver is quick and decided, consequently they are an admirable remady for derangements of that organ. Indeed, I have seldem found a case of bilious disease so ebstimate

that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D.

Physician of the Marine Hospital. Dysentery, Diarrhoes, Relax, Werms. From Dr. J. G Green, of Chicago.

You Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver mades there an excellent remedy, when given in small doses for bilious dysentery and diarrhos aman doses for minds dysoniery and diarrhose. About sngar-coating makes them very acceptable and coave-nient for the use of women and chil iron.

Dyspersia Impurity of the Blood. From Rev J V Himes Pastor of Advent Church Boston DR. Aven: I have used your Pille with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently remedy I have ever nearly ... Yours, recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855. DRAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JGHN G. MEACHAM, M. D.

Costipation, Costiveness, Suppres sion, Rheumatism, Gout, Neural-gia, Dropsy, Paralysis, Fits, etc. From Dr. J. P. Vaughn, Montreut, Canada,

Too much cannot be said of your Pills for the cure of Costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in praclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costly sness to originate in the liver, but your Pills affect that organ and cure the disease. Prom Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the propen time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleaned the stomach and ex-pel worms. They are so much the best physic we have that I recommend no other to my patients.

From Rev. Dr. Hunckes, of the Methodist Epis. Church. Pulaski House, Savannah, Gn., Jan. 8, 1856. HONORED SIR: I should be ungrateful for the re-HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my
case to you. A cold settled in my limbs and brought
on excrucinting neulalgic pains, which ended in
chronic rheumatism. Notwithstanding I had the best
of physicians, the disease grew worse and worse,
until by the advice of your excellent agent in
Baltimore, Dr. Mackenzie, I tried your Pills. Their

effects were slow, but sure. By porsevering in the use of them, I am now entirely well. Senate Chamber, Baton Rouge, La., 5 Dec. '55. DR. AYER: I have been entirely cured, by your Pills, of Rheumatic Goul—a painful disease that had afflicted me for years. VINCENT SLIDELL.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incantious use. These contain no mercury or mineral substance what-
