AN ORDINANCE. Be it ordained by the Burgess and Council of Wellbore, and it is hereby ordained by the authority of the same. That for the purpose of providing a more ample supply of water in case of fire, and for other purposes, the citizens of said borough are hereby authorized to dig wells, at their own expense, in the public streets thereof, in such places as said Burgess and Council shall designate. Such wells shall be of such capacity and finished according to the directions of the said Burgess and Council.

Establishing the office of Fire Warden. Be it ordained by the Burgess and Council of Wellbore, and it is hereby ordained by the authority of the same. That from and after the due publication of this ordinance, the Burgess and Council shall appoint some suitable and proper person, being a citizen of the said borough, to fill the office of Fire Warden, whose duty it shall be to examine and regulate all stoves and other places where fires are kept, and the manner in which ashes are disposed of in said borough; and for this purpose to have free access to all buildings, and full authority to visit and examine the same, at any and at all times, as he may judge expedient; and whenever, in his opinion, any change or alteration may be required in stoves, stove-pipes, chimneys, or other fixtures wherein fires are kept, in order to insure the safety of the same against fire, he shall give directions to the person or persons in occupation of the premises, forthwith, to make such alterations or changes, and in case of refusal or neglect of such person so notified and required to immediately comply with such order, it shall be the duty of the said Fire Warden forthwith to notify the Burgess of the same, who shall impose a fine upon said delinquent, of not less than \$2.50 nor over \$25, as in his discretion he may deem just; and in case said fine is not forthwith paid, the said Burgess shall proceed to enforce the collection of the same, by due course of law.

GROVER & BAKER'S SEWING MACHINES, FOR FAMILY AND MANUFACTURING USE, 495 BROADWAY, NEW YORK. Agencies in all the principal Cities and Towns in the United States.

The Grover & Baker S. M. Co. NOW OFFER, IN ADDITION TO THEIR SPLENDID STOCK OF MACHINES MAKING THE CELEBRATED GROVER & BAKER STITCH, NEW AND SUPERIOR Shuttle, or Lock Stitch Machines, Adapted to all varieties of sewing. Much more Simple, Durable, Noiseless and Perfect than any "lock-stitch" machines heretofore in use.

LADIES MUST BEAR IN MIND. THE GROVER & BAKER'S PILLS, prepared from the formula which the inventor, GONVUS L. GRESSEMAN, M. D., of New York, has long and successfully used in an extended and successful practice, immediately relieve without pain, all disorders and the periodical discharge, whether arising from congestion or suppression. They act like a charm in relieving the pains that accompany difficult menstruation, and are the only safe and reliable remedy for Piles, Sick Headache, Pain in the Back and Sides, Palpitation of the Heart, Vertigo, Headache, Hysterics, Spasms, Broken Sleep, and all unpleasant and dangerous effects of an over-accumulation of the sexual functions. In the worst cases of Piles or Whites, they effect a speedy cure.

THE GROVER & BAKER Sewing Machine Company, who have from the first been among the most prominent in bringing the sewing machine to its present state of perfection step by step, and who still continue their improvements, have recently introduced, and are now largely manufacturing, sewing machines making the lock-stitch, of the same pattern and at the same price as their celebrated Grover & Baker stitch machines, thus placing side by side in their salesrooms, for examination and comparison, the two most popular and good machines that are made, leaving the selection and choice entirely at the option of the purchaser, whose decision under such circumstances, seeing both machines operated and contrasting specimens of the work of each, is quickly made. And a still further advantage is offered by the plan adopted by this company, which is that in case the purchaser of either style of machine should find reason for reversing their decision, they will be at liberty to exchange their first choice for such a machine as their increased knowledge and experience may suggest.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions.—These, if not relieved, spread upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, pressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Coned by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, when suffering from the disorders they cure.
