Mr. Young, Dear Sir.—Looking over your report of last week, I discovered the Auditors' Account of the expenditures of Delmar township for 1861-2, showing the small amount of 1861 dollars contrasted with that of '60.

On Tuesday of this week we were the recipients of a visit from two individuals of the "softer sex" who said they had called in to see the "Printing Shop"; they also said they had read the article in that week's issue, under the caption of "The 'A' and in obedience to its teachings, 'couldn't get nothing'."

GROVER & BAKER'S

CELEBRATED NOISELESS SEWING MACHINES, FOR FAMILY AND MANUFACTURING USE, 495 BROADWAY, NEW YORK.

The Grover & Baker S. M. Co. NOW OFFER, IN ADDITION TO THEIR SPLENDID STOCK OF MACHINES MAKING THE CELEBRATED GROVER & BAKER STITCH, NEW AND SUPERIOR Shuttle, or Lock Stitch Machines.

Adapted for all varieties of sewing. Much more simple, durable, noiseless and perfect than any "lock-stitch" machine heretofore in use.

All who use a class of machines will find these "lock-stitch" machines by Grover & Baker a great advance upon all "lock-stitch" machines heretofore in the market.

The Grover & Baker machines have taken the first premiums, over all competition, at every State Fair where they have been exhibited this season.

(From the New York Weekly.)

The Grover & Baker Sewing Machine Company, who have from the first been among the most prominent in bringing the sewing machine to its present state of perfection step by step, and who still continue their improvements, have recently introduced, and are now largely manufacturing, sewing machines making the lock-stitch of the same patterns and at the same price as their celebrated Grover & Baker stitch machines, thus placing side by side in their salerooms, for examination and comparison, the two most popular and only good machines that are made, leaving the selection and choice entirely at the option of the purchaser, whose decision under such circumstances, seeing both machines operated and contrasting specimens of the work of each, is quickly made.

And a still further advantage is offered by the plan adopted by this company, which is that in case the purchaser of either style of machine should find reason for reversing their decision, they will be at liberty to exchange their first choice for such a machine as their increased knowledge and experience may suggest.

The machines manufactured by the Grover & Baker Sewing Machine Company, whether lock-stitch or Grover & Baker stitch, combine all the latest useful improvements and are finished in the best style of the art.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings unaccountable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions.—These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, as expressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous disorders. The same purgative effect exists in the Cancer, by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them curable, cured by the same means. None who know the virtues of these Pills, when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, '56. Dr. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long and grievously afflicted with blotches and pimples on her skin and in her hair. After her child was cured, she resorted to your Pills, and they have cured her.

ASA MORRIDGE.

As a Family Physic. From Dr. E. W. Cartwright, New Orleans. Your Pills are the prince of purges. Their excellent efficacy surpasses any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach. From Dr. Edward Boyd, Baltimore. DEAR BRO. AYER: I cannot answer you what complaint I have cured with your Pills better than to say all that we ever treat with a purgative medicine, I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

Dr. J. C. AYER, Sir: I have been repeatedly cured of the most distressing any body can have by a dose of your Pills. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion.

Bilious Disorders—Liver Complaints. From Dr. Theodore Bell, of New York City. Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Department of the Interior, Washington, D. C., 7th Feb. 1856. Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D. Physician of the Magis Hospital.

Dysentery, Diarrhoea, Relax. Worms. From Dr. J. G. Green, of Chicago. Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best articles I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhoea. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. From Rev. J. V. Himes, Pastor of Advent Church, Boston. DEAR AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855. DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountain of the blood. JOHN G. MEACHAM, M. D. Physician of the Magis Hospital.

Costipation, Constiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, &c. From Dr. J. P. Vaughn, Montreal, Canada. Too much cannot be said of your Pills for the cure of Constiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are more dangerous. I have seen many cases originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotics of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From Rev. Dr. Hawkes, of the Methodist Epis. Church, Palatka House, Savannah, Ga., Jan. 6, 1856. HONORABLE SIR: I should be ungrateful for the relief afforded me by your Pills in a case of Rheumatism, Gout, Constipation, Nervousness, Impaired Nutrition of the Body; Lassitude; Weakness of the Limbs and the back; Indisposition, and Incapacity for Study and Labor; Dullness of Apprehension; Loss of Memory; Aversion to Society; Love of Solitude; Timidity; Self-Distrust; Dizziness; Headache; a Sickness of the Feet; Fits of the Feet; Involuntary Emissions; and Sexual Impotency; the Consequences of Youthful Indiscretion, &c., &c. This admirable Lecture clearly proves that the above enumerated, often self-afflicted, evils may be removed without medicine and without dangerous surgical operations, and should be read by every youth and every man in the land.

Sent under seal, to any address, in a plain, sealed envelope, on the receipt of six cents, or ten postage stamps, by addressing Dr. CHAS. J. CLINE, 127 Bowery, New York, Post Office Box, 4578. Jan. 29, 1862—4m.
