AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of erder, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanss out the disordered humors—purify the blood, and let the finite more on unphersated in health and let the fluids move on unobstructed in health again. They stimulate the functions of the body inte rigorous activity, purify the system from the obstruc-tions which make disease. A cold settles somewhere in the body, and obstructs its natural functions.— These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, opsuffering, and disease. While in this condition, op-pressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the broyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, when suffering from the disorders

Statements from leading physicians in some of the principal cities, and from other well known public

From a Forwarding Merchant of St. Louis, Feb. 4, '56. Dn. Aven: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her bair. After our child was cured, she rise tried your Pills, and they have cured her.

ABA MORGRIDGE.

As a Family Physic,

From Dr. E. W. Carturight, New Orleans. Your Pills are the prince of purges. Their excel-lent qualities surpass any cathertic we possess. They are mild, but very certain and effectual in their ac-tion on the bowels, which makes them invaluable to us in the dally treatment of disease. Headache, Sick Headache, Poul Stomach.

From Dr. Edward Boyd, Baltimore. DEAR BRO. Aven: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I de

that your Pills afford us the best we have, I of course

value them highly. PITTSBURG. Pa., May 1, 1855. DR. J. C. AYER. Sir: I have been repeatedly ured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect,

ED. W. PREBLE,

Clerk of Steamer Clarion.

Bilious Disorders-Liver Complaints. From Dr. Theodore Bell, of New York City. Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Livr very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can men-tion. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the pro-fession and the people.

Department of the Interior, Washington, D. C., 7th Feb. 1860. Sitti I have used your Pills in my general and hospital practice ever since you made them, and can not hesitate to say they are the best cathartic we em ploy. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have
seldom found a case of billous disease se ebstinate
that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D.

Physician of the Marine Hospital.

Dysentery, Diarrhoca, Relax, Worms.

From Dr. J. G. Green, of Chicago. You Pills have had a long trial in my practice, and I hold them in esteem as one of the best apericuts I have ever found. Their alterative effect upon the liver mades them an excellent remedy, when given in small deses for bilions dysentery and diarrhoes. Their sugar-costing makes them very acceptable and convenient for the use of women and children.

Dyspepsia. Impurity of the Blood. From Rev J V Himes Pastor of Advent Church Boston DR. AVER: I have used your Pille with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently

recommend them to my friends. Yours, WARSAW, Wyoming Co., N. T., Oct. 24, 1855. DEAR SIR: I am using your Cathartic Pilts in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JGHN G. MEACHAM, M. D.

Costipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgla, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Yaughn, Montreal, Canade. Too much cannot be said of your Pills for the cure of Costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, in the progenitor of others that are worse. I believe contiveness to originate in the liver, but your Pills affect that organ and cure the disease. From Mrs. E. Start, Physician and Midwife, Boston

I fitted one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when whofly of partially suppressed, and also very effectual to cleanse the stomach and ex-pel worms. They are so much the best physic we have that I recommend no other to my patients. From Rev. Br. Hawkes, of the Methodist Epis. Church

Pulaski House, Savannah, Ga., Jan. 6, 1856. Henouse Sin: I should be ungrafeful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neulalgic pains, which ended in chronic rhoumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, matil by the ndvice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

Senate Chamber, Baton Rouge, La., 5 Dec. '55. DR. AYER: I have been entirely cured, by your Pills, of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

Most of the Pills in market contain Mercury, which, sithough a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incentions use. These contain no mercury or mineral substance what-
