Our letter from Crockett for this is k, has been

delayed. The news of the victory over be rebels at Fort Henry caused considerable rejoing in this borogh last Friday. Public and privat figs were displayed all over town. To-day every by is elated at the news of the victory at Fort Det elson. We hope every day will bring us somethin better until the end of the war, which seems not to I gir distant.

Another accident occurred out Monday last, to a boy who was riding down hill. It young son of Mr. J. Nerins, while riding down the full opposite the Ward House, run into the Park hand and broke his leg in two places. Dr. Mason a simmediately called, who set the fractured limb. The second conce, and the kind that has happened to his borough during the present winter, and should here as a warning to parents who allow their children to engage in this amusement.—Braelford Reporter.

WELLIBORD; PA

Corning, Dec. 4, 1561.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prefude to serious illness. Some fit of sickness is creeping upon you, and should be arcreted by a timely use of the right remedy. Take A er's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the wody into vigorous activity, parify the system from the obstructions which make disease. A cold settles somewhere in the body, and obs.ruct; its natural functions.—

These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, opsee how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar ob-structions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, when suffering from the disorders

they cure.

Statements from lending physicians in some of the principal cities, and from other well known public

From a Forwarding Merchant of St. Louis, Feb. 4, '56. Dr. Aven: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was sured, she rise tried your Pills, and they have enred her. ASA MORGRIDGE.

As a Family Physic, From Dr. E. W. Cartwright, New Orleans. Your Pills are the prince of purges. Their excel lent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease. Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore. DEAR BRO. Aven: I cannot answer you what com plaints I have cured with your Pills better than to asy all that we ever trent with a purgative medicine.

I place great dependence on an effectual esthartic in my daily contest with disease, and believing as I de that your Pills afford us the best we have, I of course

value them highly.

Pressure, Pas, May 1, 1885. DR. J. C. AYER. Sir: I have been repeatedly cured of the worst hendache any body can have by dose or two of your Pills. It seems to arise from foul stomach, which they cleans at once. Yours wit great respect,

Clerk of Steamer Clarion.

Bilious Disorders-Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial in my practice proved more effectival for the cure of billious complaints than any one remedy I can mea-tion. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the pro-fession and the people.

Department of the Interior, Washington, D. C., 7th Feb. 1856. }
Size: I have used your Pills in my general and hospital practice ever since you made them, and can-not besitate to say they are the best cathartic we cmploy. Their regulating action on the liver is quick and decided, consequently they are an admirable rem-edy for derangements of that organ. Indeed, I have reldom found a case of bilious disease so obstinate

that is did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D.
Physician of the Marine Hospital. Dysontery, Diarrhoga, Rolax, Worms. From Dr. J. Q. Gran, of Chicago.

You Pills have bad a long trial in my practice, and I hold them in esteem as one of the best apericats is have ever found. Their alterative effect upon the liver mades them an excellent remedy, when given in small doses for bilious dysentery and diarrhoes. Their sugar-coating makes them very acceptable and convenient for the use of women and chilaren.

Dyspeysia. Impurity of the Blood. From Rev J V Himes Pastor of Advent Church Buston DR. AYER: I have used your Pille with extraor. dinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known and I can confidently

recommend them to my friends. Yours, WARSAW, Wyoming Co., N. Y., Oct. 24, 1855. DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JGHN G. MEACHAM, M. D.

Costipation, Costiveness, Suppression, Rhenmatism, Gout, Neural-gia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada. Too much cannot be said of your Pills for the cure of 'Costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes whe suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease. From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed. and also very effectual to cleanse the stomach and ex-

pel worms. They are so much the hest physic we have that I recommend no other to my patients. From Rev. Dr. Hawkes, of the Methodist Epis. Church Pulaski House, Savannah, Gn., Jan. 6, 1856. Hononed Sin: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating noulalgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

Senate Chamber, Baten Rouge, La., 5 Dec. '55. DR. Aven: I have been entirely cured, by your Pills, of Rhenmatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL. afflicted me for years.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skillful hands, is daugerous in a public pill, from the dreadful consequences that frequently follow its incautious use.

These contain no mercury or mineral substance what-
