WRIGHTS & BAILEYS

TO THE PEOPLE

OF THE UNITED STATES! In the month of December, 1858, the undersigned for the first time offered for sale to the public **Dr. J. Bovee Dods' Imoprial Wine Bitters**, and in this short
period they have given such universal satisfaction to the
many thousands of persons who have tried them that it is now
an established article. The amount of bodily and mentamisery arising simply from a neglect of small complaints is surprising and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

DR. J. BOVÉE DODS'

IMPERIAL WINE BITTERS!!! from all who have not used them. We challenge the world

to produce their equal. These Birrens for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The wine itself is of a superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the fect. As these Bitters are tonic and alterative in their character, so they strongthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation emoving obstructions, and producing a general warmth They are also excellent for Diseases and Weakness peculiar to Parnales, where a Toulc is required to strengthen and brace the system. No. Lady, who is su assitude and faintness, should be without them, as they are eviving their action.

THESE BITTERS Will not only Cure, but Prevent Disease,

and in this respect are doubly valuable to the person who may use them. For INCIPIENT CONSUMPTION,

Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nerveus Dr. Dods' Celebrated Wine Bitters ARE UNSURPASSED!

For Sore Throat, so common among the Clergy, they are trnly valuable. For the aged and infirm, and for persons of a weak constitution-for Ministers of the Gospel, Lawyers, and all pub lic speakers—for Book-Keepers, Tailors, Scamstresses, Stu

dents, Artists, and all persons leading a sedentary life, they will prove truly beneficial. As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhibitanting effects of Brandy cr Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of, excessive strong drink, and who wish to refrain from it. They are pure and

entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded. These Bitt-rs not only CURE but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to

Children and infants with impunity. Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these truly valuable BITTERS over the land, and thereby essentially aid in banishing Drunkonness and Discaso.

In all Affections of the Head, Sick Headache, or Nervous Headache. Dr. Dods' Imperial Wine Bitters will be found to be most Salutary and Efficacious.

FEMALES.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proc that among the women these Bitters have given a satisfac tion which no others have done before. No woman in the and should be without them, and those who once use then will not fail to keep a supply.

DR. J. BOVEE DODS

IMPERIAL WINE BITTERS Are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprieter, before purchasing the exclusive right to manufacture and sell Dr. J.
