Resolved. That we remember with gratitude and ride, the gallant conduct of the Troda Boys at the Battle of Dranesville—a battle which proved conclusively that gailty rebels could not stand in equal numbers against men who fight for the cause of liberty and good government; and proved also, that our hills and valleys gave the dear old Union no cowards for defenders.

Resolved, That our thanks are due especially, to Capt. A. E. Resolved, That the recent glorious victories of the Union Army and Navy, inspire us with hope that the gigantic and iniquitous rebellion against the Government established under the guidance of the immortal Statesman whose memory we this evening honor, is about to be speedily crushed, and that the brave men by whom these victories have been won, shall always live in the grateful hearts of every friend of liberty.

At the conclusion of the fourth resolution, the reading was interrupted by three cheers for Capt. Niles, and three cheers for each of the wounded soldiers. Short and appropriate speeches were made by Rev. Mr. Calkins, H. W. Williams, Henry Sherwood, M. N. Allen, Dr. Webb and others. The proceedings were, on motion, ordered to be published. and the Meeting adjourned with three rousing cheers for Edwin M. STANTON.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take A or's Pills, and cleanse out the disordered humors—purify the blood, and let the fuids move on unobstructed in health again. They stimulate the functions of the body inte vigorous activity, purify the system from the obstructions which make discuso. A cold settles somewhere in the body, and obstruct its natural functions.—
These, if not relieved, react upon themselves and the These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgetive effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, when suffering from the disorders

they cure.

Statements from leading physicians in some of the principal cities, and from other well known public

From a Forwarding Herchant of St. Louis, Feb. 4, 186. DR. AYER: Your Pills are the paragon of all that DR. ATER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afficied with blotches and pimples on her skin and in her hair. After our child was cured, she rise tried your Pills, and they have cared her.

ASA MORGRIDGE.

As a Family Physic, From Dr. E. W. Cartwright, New Orleans. Your Pills are the prince of purges. Their execl lent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to is in the daily treatment of disease. Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore. DEAR BRO. AYER: I cannot answer you what com-plaints I have cured with your Pills better than to say all that we over treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily content with disease, and believing as I de that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855. Dr. J. C. Ayen. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect,

Clerk of Steamer Clarion.

Bilious Disorders-Liver Complaints. From Dr. Theodore Bell, of Note York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Livr very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can men-tion. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the prolession and the people.

Department of the Interior, Washington, D. C., 7th Feb. 1856. Sin: I have used your Pills in my general and hospital practice ever since you made them, and can-not hesitate to say they are the best cathartic we emnot hesitate to say they are the best cannariae we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of billious disease so ebstinate that it did not readily yield to them.

Praternally yours, ALONZO BALL, M. D. Physician of the Marine Hospital.

Dysontory, Diarrhoea, Relax, Worms, From Dr. J. G. Green, of Chicago.

You Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperionts I have ever found. Their alterative effect upon the liver mades them an excellent remedy, when given in small doses for bilious dysentery and diarrhoes. Their sugar-nesting makes them very acceptable and convenient for the use of women and children.

Dyspersia Impurity of the Blood. From Rev J V Himes Pastor of Advent Church Boston DR. Ayer: I have used your Pille with extraordinary success in my family and among those I am salled to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently. recommend them to my friends. Yours,

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855. DEAR Sin: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JGHN G. MEACHAM, M. D. Costipation, Costiveness, Suppres-

sion, Rheumatism, Gout, Neural-

gia, Dropsy, Paralysis, Fits, etc. From Dr. J. P. Vaughn, Montreal, Canada. Too much cannot be said of your Pills for the cure of Costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in preclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are

worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease. From Mrs. E. Stuart, Physician and Midwife, Boston I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and ex-pel worms. They are so much the best physic we have that I recommend no other to my patients. From Rev. Dr. Hawkes, of the Methodist Epis. Church

Pulaski House, Savannah, Ga., Jan. 6, 1856. Henonen Sin: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on exeruciating neulalgic pains, which ended in shronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackeuzie, I tried your Pills. Their effects were slow, but sure. By persovering in the use of them, I am now entirely well.

Senate Chamber, Baton Rouge, Ls., 5 Dec. 55. DR. ATER: I have been entirely cured, by your Pills, of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance what
