TO THE PEOPLE OF THE UNITED STATES!

In the month of December, 1858, the undersigned for the rst time offered for sale to the public Dr. J. Bovee Dods Imeprial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mentar nisery arising simply from a neglect of small complaints is surprising and it is therefore of the utmost importance that strict attention to the least and most trilling bodily ailment

hould be had; for diseases of the body must invariably first the mind. The subscribers now only ask a trial of DR. J. BOVEE DODS'

IMPERIAL WINE BITTERS!!! from all, who have not used them. We challenge the world

o produce their equal. These Birrans for the cure of Weak Stomachs Genera Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The wine itself is of a superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation removing obstructions, and producing a general warmth They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No. Lady, who is s lassitude and faintness, should be without them, as they are

Dr. Dods' Celebrated Wine Bitters ARE UNSURPASSED! For Sore Throat, so common among the Clergy, they are

ruly valuable. For the aged and infirm, and for persons of a weak con stitution-for Ministers of the Gospel, Lawyers, and all pul lic speakers—for Book-Keepers, Tailors, Seamstresses, Str dents, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhibitanting effects of Brandy er Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitt-rs not only CURE but PREVENT Disease, an ould be used by all who live in a country where the water s bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and infants with impunity. Physicians, Clergymen, and temperance advocates, as ar

act of humanity, should assist in spreading these truly valuable BITTERS over the land, and thereby essentially aid n bankhing Drunkenness and Discaso. In all Affections of the Head, Sick Head

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive productions that among the women these Bitters have given a satisfac tion which no others have done before. No woman in the and should be without them, and those who once use then will not fall to keep a supply.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS

Are prepared by an entinent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovec Dods' Celebrated Im perial Wine Bitters, had them tested by two distinguished nedical practitioners who pronounced them a valuable emedy for disease
