From Dr. J. P. Vaughn, Montrent, Canada. Too much cannot be shid of your Pills for the cure of Costiveness. If others of our fraientity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although and mough in itself, is the progenitor of others that are warse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the discase. From Mrs. E. Stuart, Physician and Midwife, Buston. I find one or two large doses of your Pille, thien at the proper time, and excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and ex-pel worms.
