TO THE PEOPLE

OF THE UNITED STATES!! In the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. Bovee Dode Imoprial Wine Bittors, and in this short period they have given such universal skilefaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mentus misery arising simply from a neglect of small complaints is surprising and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily allment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

> DR. J. BOVEE DODS' IMPERIAL WINE BITTERS!!!

from all who have not used them. We challenge the world

These Birrens for the care of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial.

The wine itself is of a superior quality being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation removing obstructions, and producing a general warmth They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No. Lady, who is subject to lassitude and faintness, should be without them, as they are eviving their action.

THESE BITTERS

Will not only Cure, but Prevent Discase, and in this respect are doubly valuable to the person who

INCIPIENT CONSUMPTION, Weak Lungs, Indigestion, Dyspepola, Diseases of the Nervens stem, Paralysis, Piles, and for all cases requiring a Tonic

Dr. Dods' Celebrated Wine Bitters ARE UNSURPASSED! For Sore Throat, so common among the Clergy, they are

truly valuable.

For the aged and infirm, and for persons of a greak con titution-for Ministers of the Gospel, Lawyers, and all pub lie speakers-for Book-Keepers, Tailors, Seamstresses, Stu dents. Artists. and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhibitrating effects of Brandy cr Wine, without intoxicating; and are a valuable ramedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitt-rs not only CURE but PREVENT Disease, and

should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to bildren and infants with impunity. Physiciaus, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these truly valuable BITTERS over the land, and thereby essentially ald

in banishing Drunkenness and Disease. In all Affections of the Head, Sick Hoadache, or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most Salutary and Efficacions.

FEMALES.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proc that among the women these Bitters have given a satisfation which no others have done before. No woman in the and should be without them, and those who once use them will not fail to keep a supply.

DR. J. BOVEE DODS'

IMPERIAL WINE BITTERS Are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners who pronounced them a valuable emedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE

In all newly settled places, where there is always a large quantity of decaying simber from which a poisonous missma s created, these Bitters should be used every morning b for breakfast.

DR. J. BOVEE DODS'

IMPERIAL WINE BITTERS Are composed of a pure and unadulterated Wine, combined with Barberry, Solomon's Seal, Comfrey, Wild Cherry Tree Bark; epikenant, Chamomile Flowers, and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quark hostrums which flood the country, and against which the Medical Profession are so justly preju

These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a 🦿
