Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, '56. DR. ATER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grisvously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she rise tried your Pills, and they have cured her.

DEAR BRO. AYER: I cannot answer, you what complaints I have eared with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I de that your Pills afford us the best we have, I of course walks them highly.

PITTSBURG, Pa., May 1, 1855. DR. J. C. Arrn. Sir: I have been repeatedly eured of the worst headache any body can have by a dose or two of your Pills. It seems to affect from a foul stomach, which they cleanse at once. Yours with great respect, ED. W. PREBLE, great respect, Clerk of Steamer Clarion.

Bilions Disorders--Liver Complaints. From Dr. Pheodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Livr very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can men-tion. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the proession and the people.

From Dr. J. P. Vaughn, Montreal, Canada. Too much cannot be said of your Pills for the cure of Costiveness. If others of our fraternity have found them as efficacious as I have, they should join who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe custiveness to originate in the liver, but your Pills affect that organ and cure the disease. From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed

HONORED SIR: I should be ungrateful for the recase to you. A cold settled in my limbs and brought on excruciating neulalgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and werse, until by the advice of your excellent agent in Baltimore, Dr. Mackensie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.
