THE TROY TIXES .- We have received the first mber of a new paper referred to in our last with shore name, published by A. C. Lambard. The spiris nearly printed, is independent in pullics, and the for one dollar's int for one dellar's year in advance. We once are wish its editor success.

BUTTER SHIPMENTS .- Over sixly thousand wads of butter was shipped on the Elin ra and Wil-jumport road at this station in the moth of May. fite to hear from them .- Troy Times.

THE SCHOOLMASTER .- For want of liberty the boolmaster was banished from the South / for want the schoolmaster, intelligent patriotism was banhet ; for want of valriotism, treabon got the upper uid; and now we have the task of putting down mion at the cost of treasure and blood. . We must repare the way for the schoolmaster.

A borrespondent from Halleck's array writes the troops suffer less from disease than, in manakes, oodticks, lizards, scorpions and gallyni pars. Inects and reptiles are thus classed :-- One listed equals ve scorpions, two scorpions equal one gallenipper, as gallynipper equals one snake, one shake, ine gal. hupper, two scorpions and one lizard equal one Aduick.

The short hair mania is as active as wer. C. F. willins 'short shingled' the heads of ft 'fy females ut week, and the cry is fstill they con't ! A young Missof our acquaintance has been tensing thermother m. The other day she sneaked off down town, went from Richmond. a barber shop, got it out, and came home poking prion is determined.

ST NOTICE TO CANDIDATES .- Some of our exhinges-among them, the Williamsport Bulling and block Haven Press, both in this District and callgattention to the fact that while they will open ir columns for communications in favor offcandius, yet they expect to be paid for them; the same for other advertisements. The Press dons not tuch the truth when it says that. "some people have spose of puffing politicians and that they should

expect compensation." Considering the fact that the Agrtaton is taken lenry, thereby losing time, id boring

A report of the business will be given in our next." 20 MOVEMENTS OF THE TIOGA BOYS .- The sol

Co. D, 57th Reg't., Pa. Vol., Capt. Caulking, was in the battle of Fair Oaks, five miles from Richmond, Sunday, June first. There were seven wounded in this company, though we have the names of two only, viz., Theodore F. Dewey, and Geo. D. Streeter. Dewey's haversack was shot off early in the fight, and he was afterwards wounded in the foot. Streeter had his toe shot off. The Colonel of this Regiment, was wounded, and the Mejor killed. Gover for Curtin has ordered that the words "Williamsburg, Virginin, May 6th, 1862," be inscribed on the Regimental Flag.

IMPORTANT TO FEMALES! THE HEALTH AND LIFE OF WOMAN IS continually in peril if she is mad enough to neg-lect or maitreat those sexual irregularities to which two-thirds of her sex are more or less subject. DR. CHEESEMAN'S PILLS, prepared from the same formula which the inventor, CONELIUS L. CHEESEMAN, M. D., of New York, has for twenty years used successfully in an extended private practice-inugadiately relieve without pain, all disturban-ces of the periodical discharge, whether arising from relaxation or suppression. They act like a charm in removing the pains that accompany difficult or im-moderate menstruation, and are the only safe and re-liable remedy for Flushes, Sick Headaché, Pains in the DR Loins, Back and Sides, Palpitation of the Heart, Nerv-ons Tremors, Hysterics, Spasms, Broken Sleep and other unpleasant and dangerous effects of an unmatu-ral condition of the sexual functions. In the worst cases of Fluor Albus or Whites, they effect a speedy cure. TO WIVES AND MATRONS. We DR. CHEESEMAN'S PILLS are offered as the only safe means of renewing interrupted menstruntion, but LADIES MUST BEAR IN MIND That on that very occount, if taken when the interrup-M tion arises from natural causes, they will inevitably prevent the expected events. This CAUTION 18 ABSOLUTELY NECESSARY, for such is the ten-First dency of the Pills to restore the original functions of the sexual organization, that they inevitably arrest H. the process of gestation. Explicit directions, stating when, and weer they should not be used, with each Box-the Price One Dol- chould not be used, with each Box—the Price One Dottar each Box, containing from 40 to 50 Pills.
