House, Va., dated June 20th, 1862, in relation to the late Serg't. Wheeler, of this company:

"We have just received news of the death of Henry E. Wheeler, Quarter-Master-Sergeant of our Company, from Tioga County, Pa. He left Camp Hamilton, May 22d, 1862, very much

out of health, but was not considered dangerously ill. It was thought that once at home among his friends, he would soon regain his health, and be able to join his company and perform the duties of his office. But we are informed that he did not reach his home, but stpped at Aiva, Bradford County Pa., and remained until he died. We beg leave to assure his friends at home, that in mourning his loss, they mourn not alone Here there is a whole company that mourn deeply with them. Soldiers, as they are, many an eye was moistened with tears, on the receipt, of the sad news.

He was a willing, active, and brave soldier; universally beloved by both officers and men. He had beer in the service since the 26th of August, 1881, and in every instance, discharged faithfully the duties as signed him. Although he was not permitted to meet the enemy in the field of battle, his friends should be consoled by the thought that he rendered his country valuable service in its hour of need, and his memory may be classed among those who have sacrificed their lives for the maintenance of the Union, and the supremacy of our glorious flag. D. O. T."

two-thirds of her sex are more or less subject. DR. CHEESEMAN'S PILLS, prepared from the same formula which the inventor, CONELIUS L. CHEESEMAN, M. They act like a charm in removing the pains, that accompany difficult or immoderate menatruntion, and are the only safe and reliable remedy for Flushes, Sick Headache, Pains in the Loins, Back and Sides, Palpitation of the Heart, Nerv. ous Tremors, Hysterics, Spasms, Broken Sleep and other unpleasant and dangerous effects of an unnatural condition of the sexual functions. In the worst cases of Fluor Albus or Whites, they effect a speedy cure.
