MARRIED.

In Charleston, on the 10th inst., by Rev. J. Ingerick, Mr. HARVEY SMITH of Wellsville, to Miss CATHARINE A. CALLAHAN of Charleston.

DIED.

In Charleston, on the 5th ult., ABRAHAM LENT, aged 88 years, 9 months, and 27 days.

In Charleston, August 6th, FRANCIS BEAUGE, aged 75 years.

At the residence of his father, in Charleston, on the 4th inst., Mr. JOHN RICHARD JONES, in the 25th year of his age.

The subject of this notice, was well known in this vicinity. For some time he had been a student of the Wellsville Academy. As a student, his industry, energy, and perseverance, together with his determination to overcome all obstacles, gave his friends large expectations of his future success. At the age of fifteen, he made a public profession of religion, and in the knowledge of his Lord and Master, these were his motives. He was a dutiful son, a kind and affectionate brother, and in his own neighborhood he was respected and beloved by all. A few months since, he was attacked with hemorrhage of the lungs, which continuing for several days, finally proved fatal. But until a short time before he died, he was not considered in a dangerous condition. A few days previous to his death, he told his mother that his work on earth was nearly finished. The evening before he breathed his last, the companions of his youth gathered around his bedside to hear his voice for the last time. He then asked them to seek the savior early, and walk in his path, while the tears flowed freely, he bade them good-by. With him all was well. He was ready to descend into the life beyond, and he bade them to seek the savior. To his afflicted friends, there comes this blessed voice: "Be still and know that I am God."

SPECIAL NOTICES.

IMPORTANT TO FEMALES!

THE HEALTH AND LIFE OF WOMAN

IS continually in peril if she is mad enough to neglect or maltreat those sexual irregularities to which two-thirds of her sex are more or less subject.

DR. CHEESEMAN'S PILLS, prepared from the same formula which the inventor, CORNELIUS L. CHEESEMAN, M.D., of New York, has for twenty years used successfully in an extended private practice—immediately relieve without pain, all disturbances of the periodical discharge, whether arising from relaxation or suppression. They act like a charm in removing the obstructions that accompany difficult or irregular menstruation, and are the only safe and reliable remedy for Flashes, Sick Headache, Pains in the Loins, Back and Sides, Palpitation of the Heart, Nervous Tremors, Hysterics, Spasms, Broken Sleep and other unpleasant and dangerous effects of an unnatural condition of the sexual functions. In the worst cases of *Fleur Blanche* or Whites, they effect a speedy cure.

TO WIVES AND MATRONS.

DR. CHEESEMAN'S PILLS are offered as the only safe means of renewing interrupted menstruation, but

LADIES MUST BEAR IN MIND

That on every account, if taken when the interruption arises from natural causes, they will inevitably prevent the expected results. This CAUTION IS ABSOLUTELY NECESSARY, for such is the tendency of the Pills to restore the original functions of the sexual organization, that they inevitably arrest the process of gestation.

Explicit directions, stating when, and when they should not be used, with each box. Price One Dollar each box, containing from 40 to 50 Pills.

A valuable Pamphlet, to be had free of the Agents, Pills sent by mail promptly, by enclosing price to the Agent. Sold by druggists generally.

H. S. ARCHER, Register. Wellsville, August 9, 1882.

TO THE PEOPLE OF THE UNITED STATES!!

In the month of December, 1868, the undersigned for the first time offered for sale to the public Dr. J. Boyve Dods' Imperial Wine Bitters, and in this short period they have given such a healthy satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had; for diseases of the body may invariably affect the mind. The subscribers now only ask a trial of

DR. J. BOYVE DODS' IMPERIAL WINE BITTERS!!!

from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomach, General Debility, and for Purifying and Enriching the Blood, are absolutely unexcelled by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The wine itself is of a superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are reviving in their action.

THESE BITTERS Will not only Cure, but Prevent Disease, and in this respect are doubly valuable to the person who may use them. For INCIPENT CONSUMPTION, Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic.

Dr. Dods' Celebrated Wine Bitters ARE UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these truly valuable BITTERS over the land, and thereby essentially aid in banishing Drunkenness and Disease.

In all Affections of the Head, Sick Headache, or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most Salutory and Efficacious.

FEMALES.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no other have done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.

DR. J. BOYVE DODS' IMPERIAL WINE BITTERS

Are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Boyve Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOYVE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, these Bitters should be used every morning before breakfast.

DR. J. BOYVE DODS' IMPERIAL WINE BITTERS

Are composed of a pure and unadulterated Wine, combined with Hops, Solomon's Seal, Cinnamon, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers, and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the "quick nostrums" which flood the country, and against which the Medical Profession are so justly properly.

These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a

TONIC, MEDICINE AND A BEVERAGE.
