BRIMFIELD, Mass., 20th Dec., 1855.

DR. J. C. ATER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoursensss, Influenza, and the concomitant symptoms of a Cold, is your CEER at PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints.

EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your Pector at myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy?

WEST MANCHESTER, FR., FED. 7, ACCORDING TO PROTOCOLOR OF THE PROTO years.

A. A. RAMSEY, M. D., Albion, Monroe Co, Iowa, writes, Sept. 6, 1835; "During my practice of many years' I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients or curing such as are

curable."
We might add volumes of evidence, but the most convinging proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the Cherry Pectoral affords relief and confort.

ASTOR House, New York City, March 5, 1856. Dr. Afer. Lowell: I feel it, a duty and a pleasure to inform you what your Cherry Pectoral has done-for my wife. She had been five mouths laboring under the dangerous symptoms of Consumption, from which no sid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bloss his kind ness, as we do your skill; for she has recovered from that day. She is not set as strong he also used to be but; for She is not yet as strong as she used to be, but is free her cough, and calls herself well. orlando SHELBY, of Shelbyville.

Consumptives, do not despair till you have tried Ayer's Cherry Pectoral. It is made by one of the best medical chemists is the world, and its cures all around us bespeak the high merits of its virtues.—Philadelphia Ledger.

AYER'S CATHARTIC PILLS.

The sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the bloud, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also form dable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar coated, they are pleasant to take; and being purely vegetable, are tree from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have leat their names to cartify to the public ble reliability of my remedies, while others have sout me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.
