Incident in the Life of E. P. Onlisty. The following sketch of an incident in the life of Mr. Christy, we take from the N. F.

"How much do you require?" asked the captain of the boat. "About twenty dollas," said Christy.

"Here it is," said Captain Polger; "you can pay me one of these days if you succeed; if not, never mind." And thus they parted.

Years passed on. Christy went from place to place; and finally established himself in New York, succeeding beyond his brightest dreams. In these years wherein the chance friends did not meet again, the steemboat captain was unfortunate and lost everything he possessed. At last he left the lakes and went to New York to seek employment as a shipmaster. Without a friend in the city, he met, of course, with no success, and was mearly despairing, when he one day met Christy in the street. He told him his business in the city, and asked him if perhaps he might know some ship owner to whom he could speak a good word for him.

"Why don't you buy a ship yourself?" said Christy.

"Why, I told you I had no money," said the captain. "How much would a good vessel control asked

Captain F. bought a ship for e thiteen thousand dollars, and Mr. Christy paid for her. I know it, for he paid me in hatfuls of shillings and sixpences and rolls of bank bills, for the Vandalia#

TO THE PEOPLE

OF THE UNITED STATES!: In the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. Boyce Dods' Imeprial Wine Bitters, and in this shore period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of boddly and mental misery arising simply from a neglect of small complaints is surprising and it is therefore of the atmost importance that a strict attention to the least and most triding bodily ailment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

from all who have not used them. We challenge the world to produce their equal. These Biffers for the cure of Wesk Stomach Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To, be assured of this, it is only necessary to make the trial. The wise their is of a superior quality, being about enother stronger than other wines; warming and invigorating, the whole system from the head to the feet. As these Bitters are onic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation removing obstructions, and producing a general warmth They are also excellent for Diseases and Weakness peculiar to Pemales, where a Tonic is required to strengthen and brace the system. No. Lady, who is subject to lassitude and faintness, should be without them, as they are reviving their action.

THESE BITTERS Will not only Cure, but Prevent Disease, and in this respect are doubly valuable to the person who

dents, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Boverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhibitanting effects of Brandy cr Wine, without intexicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only CURE but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent, and harmless, they may be given freely to Children and infants with impunity.

Physicians, Clergymen, and temperance advocates, as an humanity, should assist in spreading these truly valuable BITTERS over the land, and thereby essentially aid in banishing Drunkenness and Disease.

In all Affections of the Head, Sick Headache, or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most Salutary and Efficacious.

No woman in the and should be without them, and those who once use them will not fail to keep a supply.

DR. J. BOVEE DODS'

IMPERIAL WINE BITTERS Are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The propiletor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners who pronounced them a valuable

remedy for disease. Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE

In all newly, settled places, where there is always a large quantity of decaying simber from which a poisonous mias is created, these Bitters should be used every morning before
