THE Penneylvania Be louff Journal should be taken by every Board of School Directors in the State, and by every professional thecher, . To these classes it is valuable. . It is the o hotal organ of the School Department, and every number contains matter of great importance.

THE meeting of the triands of the foveriment in the Court House on Tuesday evening of last week was large and enthusiastic. The speeches were by Messrs. Wilson and Bowman, and had the ring of true metal. Copperheadism got severil left-handed compliments which were duly appreciated and applauded. The proceedings will be found in another column.

Rev. J. F. CALKINS, pastor of the Presbyterian Church of this borough, having been commissioned chaplain of the 149th P.W., left home on Thursday last, to assume the duties of the position. He carried with him the best wishes of the entire community for his health, success and safe return. We regard him as peculiarly qualified for the position, and make no doubt that he will accomplish great good. ; ...

ACKNOWLEDGHENT. Affest we have an Easy Chair -a bit of furniture as to be seen tial to the comfort and equanimity of Editors as it is to the traditional dignity of the sanctum. We have an Easy Chair, as stated, and our purse is no lighter therefor. It came to us through the joint generosity of Mr. B. T. VAN HORN, at whose establishment it was made, and Mr. L. A. SEARS-both being moved to compassion by our "chairlessness," and genetal sanctum-onious dilapidation. Considering it a public benefit, we publicly return, thanks to the donors; and we likewise make our grateful acknowledgments to our old friend, Ex-Burgess Oscoon, who delivered the gift in person. We will endeavor not to disgrace it.

THE attention of School Directors is directed to recent explanations of Suite Superintendent BUR-nowus, respecting the flaw for rendering the organi-
