Syphilis and Mercurial Disease New Oblights, 25th August, 1859.

Dr. J. C. Ayer: Sir, I cheerfully comply with the request of your sigent and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it in my, practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Murqueal Disease One of my patients had Syphilitic ulcers in his throat, which were comsuming his palate and the top of his month. Your Earsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his mose, and the ulceration had eaten away a considerable part of it, so that it believed the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by murcury was suffering from this poison in her bones. They had become sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was unted entirely by your Sarsaparilia in a faw weeks. Ds. J. C. Ayer: Sir, I have been afflicted with a painful thronic Rhematism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find; until I tried your Sarsaparilla. One bottle cured ms in two weeks, and restored my general health so much that I am far better thin before I was attacked. I think it a wonderful medicine.

J. FREAM.

Jules Y. Getchell, of St. Louis, writes; "I have been af filted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new usen of me. I feel young again. The hest that can be new usen of me. new man of me. I feel young again. This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its universalled excellence for coughs and coid-, and its truly wonderful cures of pulmongry disease, have mape it known throughout the civilized nations of the earth. Few are the communities, or even families among them, who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs.
