Boots, Shoes, &c.—Geo. W. Sears. Administrator's Notice—Clark Stillwell, Adm'r. Stray Mule—Erlon Cranner.

List of Letters.—Wellsboro Post Office.

Special Notices.—Madame Porter.

JEROME SMITH, No. 2 Union Block, has just returned from New York with a complete stock of Fall and Winter goods.

FRIEND PRATT, of the Corning Journal, has lately restored his excellent paper to its original size, and it is now one of the largest and handsomest of our country exchanges.

Remember that Geo. W. Woodward has, as a judge of the Supreme Court of Pennsylvania, decided that when a man shoulders a musket in defence of his country he may no longer exercise the privilege of a citizen at the ballot-box.

Notice.—The citizens of St. John's and vicinity will be addressed by H. W. WILLIAMS, Esq., and others, at the Orphan School House, Saturday evening, 12th inst.

S. F. WILSON, Esq., will address the Middlebury Loyal League at the Niles-Valley School house, Saturday evening, 12th inst.

Messrs. J. B. NILES, and H. W. WILLIAMS, will address the citizens of Chatham at the Treat School House, Monday evening, 14th inst.

H. W. WILLIAMS and others, will address the loyal men of Mansfield and Richmond, Friday evening, 11th inst.

"JOHN PARSONS," will have a place next week.

Those who favor us with miscellaneous contributions must remember that we cannot always publish promptly, owing to the necessity of giving up our columns to the demands of the campaign.

BULLETIN.—Mr. H. D. DENING, of Delmar, Hospital Steward U. S. A., has represented us with quite a cabinet-magazine of ordnance stores in the shape of cartridges for almost every variety of small arms in use, from the old-fashion'd paper cartridge, to the modern article, of brass-chamber, and gun cotton water-proof.

The Grand Jury found a true bill against BENNETT, accused of cutting the big-arms of the flag-staff some time ago, but the trial has been put over to next month. The offence seems to be non-essential, but it is all the more rank because it was a public and national insult.

The Copperhead Delegate elections on Saturday, were, in most of the townships, slim affairs. In some districts the formality of electing delegates was dispensed with, while in others not more than half-a-dozen men could be got together.

HURRAH, boys! HURRAH!—We are rejoiced to say that our advice from every township in the county relative to the prospects of Curtin and the local ticket, are most cheering.

Our advice from the State at large are full, and exhibit the gratifying fact that everywhere the greatest enthusiasm for Curtin and Agnew prevails.

The space at our command does not admit of such a notice of the speeches as they deserve, but we may say that they were, by and by, most convincing to the sober reason of the people, and most convincing to the unprejudiced judgment.

A NEW PAPER.—We have received the first number of a neat and spirited paper entitled the Semi-Weekly Republican, published by T. J. ALLEN, and T. B. SMITH, at Scranton, Pa.

A meeting of the loyal men of Tioga county was held at the Court House Tuesday evening of last week, for the purpose of ratifying the nomination of Curtin and Agnew and the county ticket.

THE SPEECHES.—A meeting of the loyal men of Tioga county was held at the Court House Tuesday evening of last week, for the purpose of ratifying the nomination of Curtin and Agnew and the county ticket.

UNIVERSAL CLOTHES WRINGER. No. 1, Large Family Wringer, \$10 00; No. 2, Medium " " " " 7 00; No. 3, Small " " " " 5 00; No. 4, Large Hotel " " " " 14 00; No. 5, Medium Laundry " " " " 18 00; No. 6, Large " " " " 30 00; No. 7 and 8 have no Cogs. All others are warranted.

No. 2 is the size generally used in private families. Orange Judd of the American Agriculturist, says of the UNIVERSAL CLOTHES WRINGER, "A child can readily wring out a tubful of clothes in a few minutes. It is in reality a CLOTHES SAVER! A TIME SAVER! and a STRENGTH SAVER! The saving of garments will alone pay a large per centage on its cost. We think the machine worth more than PAYS FOR ITSELF EVERY YEAR in the saving of garments! There are several kinds, nearly alike in general construction, but we consider it important that the Wringer be fitted with cogs, otherwise a mass of garments may clog the rollers, and the rollers upon the crank shaft will tear the clothes, or the rubber break loose from the shaft. Our own is one of the first make, and it is as GOOD AS NEW after nearly FOUR YEARS' CONSTANT USE."

Every Wringer with Cog-Wheels is Warranted to last every particular. No Wringer can be durable without Cog-Wheels. A good CANVASER wanted in every town. On receipt of the price from places where no one is selling, we will send the Wringer free of expense.
