Wellsboro, Wednesday, Sept. 16, 1863. Wellsbord Loval League.

Meets every MONDAY EVENING, at the sion, a deserved honor, certainly. CLUB and READING ROOM, Roy's Hall.

New Lidvertisements. Proclamation, General Election-Sheriff Stowell. Clothing for the Millions-Perine & Co.

We publish on the first page the address of the Union State Central Committee, a mesterly doenment, and the President's Letter to the Springfield Mass Convention. We desire to remind our readers that every number of the Agitator contains much that may be made usaful in campaigning, and should be preserved for reference and use.

PERINE, the indefatigable, draws upon us for an extra half column this week. He has clothing for the "Millions," including the "Upper Ten Thousand" of

A correspondent writes us that ye Copperheads had a large and enthusiastic meeting of twelve persons, in Covington, on the 8th inst.; evening. The speaker. Mr. M. N. Allen, handled the Alien and Sedition laws, the Bank, and the tariff, very roughly, much to the delectation of the audience...

FARK GATE .- Mr. SETH CLARK, of Charleston, has left on exhibition at this office, a handsome model of a farm gate, which our farmer friends are invited to call and examine. The style is picturesque, the operation simple, handy, and certain, and the gate is both durable and cheap. It may be seen in practical operation on Mr. Clark's farm, in Charleston.

SHEET MUSIC: We have received from Oliver Ditson & Co., 211 Washington St., Boston, Mass., the following pieces of sh' it music: "Pittsburg Galop," for piano; "Venice Quadrille," do; "Children's Toys," do; "When first the Bells," a ballad by Geo. Perren ; "We'll Aight for Uncle Abe," plantation song and chorus; "Wanted: A Substitute;" Beautiful North, the flower of Tralce." They may ha ordered by mail. Price 25 cts. cach.

FAST DRIVING .- Our attention has several times been called to the reprehensible practice of fast driving on Main Street. The enterprise of seme villages provides a trotting course for the accommodation of those who rejoice in fast horses; but in the absence of such approprate place for cultivating speed and bottom, there are decided objections to the conversion of Main Street into a race-course, other than the Borough ordinance against fast driving. It is a dangerous practice and should be abandoned.

A ROUSER.—The adjourned meeting of the Wells. boro Loyal League beld in the Court House on Thursday evening last, was one of the most spirited affairs that we have witnessed in years. The house was well filled and the audience in good humor. The principal speeches were by Mesers. S. F. Wilson and H. W. Williams, and most admirable speeches they were. They were of sich searching kind that the Copperheads hereabou; have not yet done cursing their luck in having a record. The fluttering among their picket guard next day revealed the sad pertur bations of the main body, The few "Coppers" present went away with faces somewhat of the color of raw beef. They we e literally "roasted."

Troga Loyal League. The loyal men of Tioga met at Baldwins Half, on Saturday evening, Sept. 12th, and organized a Loyal League, at which the following efficers were | lected,

President-John W. BigERNSEY. Vice Presidents-E. Scheffelin, R. E. Niles." Recording Secretary-John I. Mitchell. Corresponding Secretity W. O. Matteson. .

Mansfield.—The logod men of Mansfield and vi-cinity were addressed by S. F. Wilson and H. W. CHATHAM VALLEY, August 29, 1863.

EDITOR AGITATOR: While perusing your familiar columns that so eloquently speak of our brethren in arms, and of Soldiers' Aid Societies being formed to help the sick and wounded of our country, I thought it was my duty (which I have long neglected) to let the readers of your pariet know that we too are lending a helping hand.

In October 1881, a few of the Chatham ladies convened together and interested themselves in preparing a box of hospital supplies, to alleviate the sufferings of our brave countrymen. Although situated as we are, among the hills, and where it is somewhat difficult for us to meet often, the storms of winter, and the busy days of seed time and harvest, obliged us to be nt times almost inactive, having done but little in comparison with those in different parts of the country. We feel however, that we cannot stop, for the smallest contribution is of use, if given in a spirit of patriotism, and of sympathy with the sufferings and trials of those who are fighting for our country's welfare.

If we have an ideal in the world, it is our country.

If we have an idol in the world, it is our country. She is the pride of our hearts. Therefore we sincerely love every one that loves our country, and am ready and willing to do all in our power to encourage and help them while engaged in this great struggle Below is a list of the officers and members of the
