A HANDSONE TESTIMON AL. Rev. Geo. H. Jenks, Rector of St. Paul's Church, in this Borough, lately received very material evidence of the respect and esteem in which he is held by the members of the church and the congregation. We allude to the pre-sentation made to him by the Vestry, of \$300, for the procuration of a substitute, he having been drafted. No doubt the same thing iss been done in other places for Clergymen drawing prizes in the Military lottery; and these donations serve to show to the world, the estimation in which the recipionts are held by their respective congregations. The correspondence will be found elsewhere.
