\$1100. These prices placed the question of a new power press in a new light.

However, unless health and promises entirely fail, we expect to have a power press within a few weeks. This is in some sort a necessity—our edition being too large for a hand-press without extra help.

REMEMBER THAT THESE BITTERS ARE NOT ALCOHOLIC, CONTAIN NO RUM OR WHISKEY, AND CAN'T MAKE DRUNKARDS, BUT IS THE BEST TONIC IN THE WORLD.

READ WHO SAYS SO: From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pennsburg, N. J., formerly of the North Baptist Church, Philadelphia. I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been pleased with their effects that I was induced to recommend them to many others, and that they have operated in a strikingly beneficial manner. I take great pleasure in this public proclamation of their efficacy, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is not a rum drink. Yours truly, LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicines in general, I have tried that of their ingredients and effects, and know of no so successful remedy as a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others. I do this more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was afflicted against them for many years, and by the impression that they were chiefly an alcoholic mixture, I sought for relief in the use of other remedies, but to my conviction that for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but usually, I doubt not, it will be very beneficial to those who suffer from the above cases. Yours, respectfully, J. N. BROWN.

From the Rev. J. H. Turner, Pastor of the 10th Baptist Church. Dr. Jackson—Dear Sir:—I have been frequently requested to connect my name with commendations of different kinds of medicines but regarding the present one of my acquaintance, I have no objection to express my full conviction that for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but usually, I doubt not, it will be very beneficial to those who suffer from the above cases. Yours, respectfully, J. H. TURNER.

From Rev. Warren Randolph, Pastor of the Baptist Church, Germantown, Penn. Dr. C. M. Jackson—Dear Sir:—Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefited by the use of the Bitters, and doubt not that they will produce similar effects on others. Yours, truly, WARREN RANDOLPH, Germantown, Pa.
