New Advertisements. Wholesale Drug Store—W. D. Terbell. A Valuable Farm for Sale—M. V. Purple, & S. H. Purple.

NOTICE.

THE pews in St. Paul's Church will be rented Monday, the 1st day of February next, at 10 o'clock P. M. for the ensuing year. Persons desiring to retain their present seats can do so by signing their intentions to the Rector or either of the wardens of the church before the 1st of February, Wednesday, Jan. 18, 1864.

THE Six Month's Men returned home on Wednesday last, looking healthy and in the best of spirits.

Hon. J. W. GANNETT will accept our thanks for a copy of the Common School Report.

TIOGA BAPTIST ASSOCIATION—The Second quarterly meeting will be held with the Delmar Church on the second Wednesday in February next at 10 o'clock A. M. Introductory Sermon by Rev. L. Stone; Rev. P. Reynolds, alternate. Contributions for Missions. E. T. BENTLEY, Clerk. Tioga, Jan. 15, 1864.

HENRY D. CANN, Esq., delivered the keys of the County Treasury to Mr. A. M. Spencer, his successor in office, last week. The retiring Treasurer is to have with him the respect and esteem of every man of address, ability, civility of manners, and integrity in public office. Most of our readers know that we value more than an empty pan when we say that he is considered a "trump" with everybody. Success to him, always.

THE FESTIVAL—The Fourth Annual Festival of the Wellsville Fire and Hose Companies was held at the Court House on Friday night last. More than one hundred couples were present and participated in the dancing; and many besides partook of the supper who did not join in the dance. The Court Room was tastefully decorated with evergreens, flags, and emblems of the companies, as was also the dining room and stairs. We noticed numbers of "young folks" from Bloomsburg, Corning, Chenango, Mansfield, Tioga, Lawrenceville, and other towns in the county who came to have a good time. The music was of the first order, of course, and we learn that the Wellsville Brass Band volunteered services gratuitously. It is hardly necessary to say that the Festival was successful beyond precedent, in too much praise cannot be bestowed upon the Committee of Arrangements, for the industry and zeal with which they labored to make it so.

The Fire and Hose Companies have become favorite institutions of our town, and enough money has been realized, we are told, to liquidate their outstanding debts.

EDUCATIONAL—We are indebted to Hon. S. E. Wilson for a copy of the Report of the State Superintendent of Common Schools for 1863. As a matter of local interest we reprint from it the following items in regard to this county:

Table with 2 columns: Item and Amount. Includes Average No. of months taught, No. of male teachers, No. of female teachers, Average salaries of male teachers, No. of male scholars, No. of female scholars, Average attendance, Cost of each pupil per month, Amount of tax levied for schools, Fuel and contingencies, Received from State appropriation, Cost of instruction, School Buildings, Fuel and contingencies.

—We shall have occasion to refer to this Report in future issues of the AGITATOR.

DOCTORS VISIT—The friends of Rev. J. D. Bell, will visit him with their donations, at his residence in Wellsville, on Thursday evening, Jan. 28, 1864.

The general visit of the children will be on the following evening, Jan. 29.

People both in the county and in the Borough are cordially invited to attend.

LITTLE THINGS.—People who are unaccustomed to studying economy in their little arrangements, are 2000 times more easily money may be saved, and the same time comfort secured by a little attention to a little article of metal tips worn on the toes of shoes. It is asserted that by this article 200,000,000 dollars are saved annually. The only object of the advertiser in sending the Prescription is to benefit the afflicted, and spread information which he conceives to be invaluable; and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove of lasting benefit.

THE MAGAZINE—Harper's Magazine for January 1864, was never more of more attractive to its readers than when it appears in the present number. It is a continuation of the "Scenes in the West of 1812" by Benson J. Lossing, as well as the "Fables of the Japanese." There is also a beautiful Christmas story of the Christ-child. No partiality of kind is more popular or furnishes as much choice reading for the gratification of its readers as this. We heartily commend it to the judicious patronage of the public.

The Continental Monthly addresses itself particularly to articles of interest to the government and people during the present great struggle for nationality. It has in the number for January very many papers of deep interest, and which will entitle it to a place among the leading journals of the country. All communications should be addressed to John F. Troy, 50 Green Street, New York.

The Atlantic Monthly for 1864, needs no better security for its increasing favor and circulation, than the fact that it still has for its publishers, Messrs. Ticknor and Fields, who carelessly present to the public anything unworthy of a careful reading. The Thirtieth Volume commences with the number for January and those who are so fortunate as to possess them will have preserved Agassiz' "Methods of Study in Natural History," "The Minister's Wooing," by Mrs. Stowe, Whittier's "In War Time," and other serial papers equally valuable. These writers with others of equal merit still continue their contributions. Single subscriptions, \$3.00 per year, postage paid. Ticknor & Fields, Publishers, 135 Washington Street, Boston.

DIED.—In Lawrenceville, on the 19th ult., SIMON POWELL, an old and esteemed physician, in the 80th year of his age.

In Gaines township, on the 9th inst., of diphtheria, CHARLES HERBERT, youngest son of James H. and Betsy Watrous, aged 7 years, 9 months, and 5 days.

In Mansfield, Nov. 28, 1863, Mr. HORACE DAVIS, brother of the above.

In Knoxville, on the 10th ult., RAY, only child of Mrs. Maggie E. Seely, and grand son of Rev. E. Sweet, aged 3 years.

Our little Ray of sunshine we called him, for his presence was like a sunbeam in our dwelling, and when he left us, we felt that all the light had faded from our home. How we loved our darling one, and now how much we miss him.

We miss his footsteps on the stair, We miss him all day, every where, And yet amid our anguish and sorrow we remember that our Saviour has said, "Of such is the kingdom of Heaven." Cor.

In Whitewater, Wis., in July 1863, Mr. DANIEL E. CLARK, of Mansfield, Tioga county, Pa., aged 27 years.

The young people of Mansfield met with a painful loss when the ranks were broken by the death of this estimable young man. By his integrity, kindness, and affability in business affairs, he had won a high position in the esteem of all who knew him.

With a gentle heart and a thorough public spirit, he was a real helper in every enterprise for the good and welfare of those about him. By the Sabbath School he will long be remembered as a faithful teacher and willing contributor. The Choir will not soon forget his part in their behalf, and the Church (though he was not a member), will not cease to be grateful for the interest he took in their prosperity.

Those who watched over him in his last illness remember his departure as peaceful and happy. May the consolations of the Lord be a refuge for the parents and friends who are so sadly bereaved by his death. N. L. R.

MADAME PORTER'S CURATIVE BALSAM has long tested the truth that there are first principles in Medicine as there is in Science, and this Medicine is compounded on principles suited to the natural nature of Man. The cure of Colds is in keeping open the pores, and in creating a gentle internal warmth, and this is caused by the use of this Medicine. Its remedial qualities are based on its power to assist the healthy and vigorous circulation of blood through the lungs; to enlarge the muscles, and assist the skin to perform its duties of regulating the heat of the system, and in gently throwing off the waste substance from the surface of the body, as in not a violent remedy, but emollient, warming, searching and effective. Sold by all druggists at 13 and 25 cents per bottle. Sept. 9, 1863.

READ WHO SAYS SO:

From the Rev. Lev. G. Beck, Pastor of the Baptist Church

Philadelphia. "I have known Hoofland's German Bitters for a number of years, and have been pleased with their effects that I was induced to recommend them to many others in my own family, and have been a strikingly beneficial manner. I take great pleasure in thus publicly recommending them, and calling the attention of those afflicted with these disorders to their use, as I am convinced, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is not a rum drink." Yours truly,

LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclo- pedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I feel that of no indifferent reason why I can not testify to the benefits he believes himself to have re- ceived from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this more readily in regard to Hoofland's German Bitters, prepared by Dr. M. Jackson, of New York, because I was well satisfied against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Sherman, of New York, for the removal of this prejudice by proper tests, and for encourage- ment to try them, when suffering from great and long continued debility. The use of three bottles of these Bit- ters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. Philadelphia, June 20, 1861. J. H. NEWTON BROWN.

From the Rev. Jos. H. Kennard, Pastor of the 10th Bat- tist Church.

Dr. Jackson—Dear Sir—I have been frequently re- quested to connect my name with the name of different kinds of medicines but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my family, of the usefulness of Dr. Hoofland's German Bitters, I depart from my usual course to express my full conviction that, for general utility of the system, and especially for Liver Complaint, it is a safe and valuable pre- paration. In some cases it may be the safest, and most val- uable remedy of which I have any knowledge. It will be very beneficial to those who suffer from the above cause. Yours, very respectfully, J. H. KENNARD, Eighty-below Centre Street, Philadelphia.

From Rev. Warren Randolph, Pastor of the Baptist Church, Germantown, Penn.

Dr. C. M. Jackson—Dear Sir—Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and debility I have been greatly benefited by the use of the Bitters, and doubt not they will produce similar effects on others. Yours truly, WARREN RANDOLPH, Germantown, Pa.

From Rev. J. H. Turner, Pastor of Hadding M. E. Church, Philadelphia.

Dr. Jackson—Dear Sir—Having used your German Bit- ters in my family frequently, I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most val- uable remedy of which I have any knowledge. Yours, respectfully, J. H. TURNER, No. 725 N. Nineteenth Street.

From the Rev. J. M. Lyons, formerly Pastor of the Colum- bus (N. J.) and Milledown (Pa.) Baptist Churches.

Dr. C. M. Jackson—Dear Sir—I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with very beneficial results. I have often recommended them to persons afflicted by that tor- muring disease, and have heard from them the most flatter- ing testimonials as to their great value. In cases of gen- eral debility, I believe it to be a tonic that cannot be sur- passed. New Rochelle, N. Y. A. M. LYONS.
