"When you have anything to advertise, tell the public of it in plain, simple language."

I am manufacturing good custom made Boots and Shoes which I will sell at fair prices, and only for READY PAY. Such work cannot be sold at as low rates per pair as castern made slop-work, but it can and will be sold at prices which will enable the purchaser to protect his feet with good substantial boots more cheaply, than with a poor slop shop article, which, even if it chances not to fall in pieces with the first weeks service, is but a doubtful protection in wet and cold weather. The past success of this Institution has been truly gratifying to its numerous friends, and the prospect for the ensuing year is more flattering than ever he-fore. There is now no want of commodious rooms for a large number of students. The new building is designed for ladies exclusively. Gentlemen, or companies of Indies and gentlemen together will room in the school building. A teacher will room in each building and have the control of the students. No institution in this section of the country offers any better facilities for obtaining an education than this. The range of studies embraces everything nec-

essary to entering college.

A Teacher's Class will be, formed during the Fall term, using "Holbrook's Normal Method" and Calkin's Object Lessons" as text books.
