"When you have anything to advertise, tell the public of it in plain, simple language."

I am manufacturing good custom made Boots and Shoes which I will sell at fair prices, and only for *READY PAY.* Such work cannot be sold at as low rates per pair as eastern made slop-work, but it can and will be sold at prices which will enable the purchaser to protect his feet with good substantial boots more cheaply than with a poor slop-shop article, which, even if it chances not to fall in pieces with the first weeks service, is but a doubtful protection in wet and cold weather. Try me.

UNIVERSAL CLOTHES WRINGER.

"A child can readily wring out a tubfull of clothes in a few minutes. It is in reality a CLOTHES SAVER! A TIME SAVER! and a STRENGTH SAVER! The saving of garments will alone pay a large per centage on its cost. We think the machine much *more than* PAYS FOR ITSELF EVERY YEAR in the saving of garments! There are several *kinds, nearly* alike in general construction, but we consider it important that the Wringer be fitted with Cogs, otherwise a mass of garments may clog the rollers, and the rollers upon the crank-shaft slip and tear the clothes, or the rubber break loose from the shaft. Our own is one of the first make, and it is as GOOD AS NEW after nearly FOUR YEARS' CONSTANT USE."

Every Wringer with Cog-Wheels is Warranted in every particular.

No Wringer can be durable without Cog-Wheels.

A good CANVASSER *wanted* in every town.

☞ On receipt of the price from places where no one is selling, we will send the Wringer *free of expense.*
