READ WHO SAYS SO:

From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia, Pa. I have used them for a number of years, and I have used them in my own family, and I have been so pleased with their effects, that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in this public proclamation of the fact, and calling the attention of those afflicted with the disease for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink." Yours truly, LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicines in general, still high distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not justly be benefited by the use of them, and I have no objection to their use, provided they are operated in a strictly beneficial manner. I take great pleasure in this public proclamation of the fact, and calling the attention of those afflicted with the disease for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink." Yours truly, LEVI G. BECK.

From Rev. J. H. Turner, Pastor of the Baptist Church, Germantown, Pa. Dear Sir:—I have been frequently requested to connect my name with commendations of different medicines, but regarding the practice as out of my appropriate sphere, I have always declined; but with a clear proof in various instances, and particularly in my family, of the usefulness of Dr. Hoofland's German Bitters, I am now compelled to do so. I have used them for a number of years, and I have used them in my own family, and I have been so pleased with their effects, that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in this public proclamation of the fact, and calling the attention of those afflicted with the disease for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink." Yours truly, J. H. TURNER, No. 725 N. Nineteenth Street.

From Rev. J. M. Lyons, formerly Pastor of the Columbus (N. Y.) and Milwaucau (Pa.) Baptist Churches, New Rochelle, N. Y. Dear Sir:—I feel it a pleasure to state, that I have used Dr. Hoofland's German Bitters, and I have been so pleased with their effects, that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in this public proclamation of the fact, and calling the attention of those afflicted with the disease for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink." Yours truly, J. M. LYONS.

HOSTETTER'S CELEBRATED STOMACH BITTERS.

A Pure and Powerful Tonic, Corrective and Alternative, of Wonderful Efficacy, in Diseases of the STOMACH, LIVER AND BOWELS;

Cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex arising from Bodily Weakness, whether inherent in the system or produced by Special Causes.

Nothing that is not wholesome, genial and restorative in its nature, enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral or any kind, no highly medicinal element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants, with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and, so far as the human system can be protected by human means against the insidious attacks of the enemy, it is well to be forearmed. In a medicinal sense, it is well to be forearmed. It is well to be forearmed against disease, and, so far as the human system can be protected by human means against the insidious attacks of the enemy, it is well to be forearmed.

Persons of feeble habit, liable to Nervous Attacks, Loss of Spirits and Fits of Langour, find prompt and permanent relief from the electric influence of this medicine. It is most congenial, and from both sexes.

The agency of Bile's Cures is immediately assumed by a single dose of the medicine, and by occasional use, they may be fully appreciated. In cases of Constitutional Weakness, Frequent Deceit, and Debility, and all Diseases arising from a general and protracted use of the medicine, it is well to be forearmed.

As a general tonic, HOSTETTER'S BITTERS produces effects which are not to be compared with any other medicine. It is well to be forearmed against disease, and, so far as the human system can be protected by human means against the insidious attacks of the enemy, it is well to be forearmed.
