A meeting of the Committee will be held Saturday, 22d inst., at 2 o'clock P. M., at Bigelow's Hotel in Wellsboro, to appoint delegates to the Union State Convention to be held at Harrisburg, on the 28th of April. A general attendance of the Committee is requested.

New Goods.—If you want to get the work of your money drop into Bullard's Store, and you will find one of the best assortments of Spring and Summer Goods ever brought into this place.

RANSFORD B. WEBB who left here in Capt. Merick's Company has been promoted to the Second Lieutenant of Company I, of the same Regiment. Lieut. Webb is well qualified by ability and former experience in the army, to make a good officer. We congratulate him on his promotion.

SAD CALAMITY.—Thomas B. Davis, whilst engaged in breaking a log pile on the "Herrington job," was instantly killed, by the logs rolling upon him. He leaves a wife and three children to mourn his loss. Mr. D. has been favorably known in the vicinity for a number of years, and his loss can hardly be over-estimated.

WRITING SCHOOL.—The first term of Miss J. A. Titon's Writing School closed on Saturday evening, 19th, and the unanimous wish of the class for her to teach a second term, goes far to show that they are satisfied with the improvement they have made. A trust parents will see the necessity of giving their children a schooling in this art.

REMOVALS.—Miss Pauline Smith has removed her New Millinery Goods to the house lately occupied by Chas. Williams, opposite the United States Hotel. Mrs. A. J. Soffel is now receiving a choice lot of Millinery Goods and invites her customers to visit her at a call. Her Shop will be found hereafter in the room lately occupied by Miss Smith, opposite Eoy's Drug Store. See advertisements.

LIEUT. COL. A. B. NILES.—This gallant soldier returned to his home here last week, having been obliged to resign his position as commander of the 10th Regt. of Maine, on account of increasing ill health, the result of his wounds and exposure. Col. Niles has been with the Bucktail Regiment in every battle of the Army of the Potomac from Dranesville to Gettysburg, in each of which he was badly wounded. He has joyfully earned the mark of favor accorded to him by the War Department, the appointment of Major in the Veteran Reserve Corps. Since his return home his health has improved, and he expects soon to assume the duties of his new position.

DEAR FUS.—One day last week as the fish had got nearly a mile from town, a keg of Lager beer suddenly got loose and rolled into the road, and his means walked over the fence and down the hill into the pond. A few days after three or four of Arveria's youngsters being out on a fishing excursion, one threw his line into the water and had a heavy bite. In pulling out what he supposed to be a large fish, he was considerably astonished to find him changed into a keg of lager. Now came the "big question" how to get their good fortune, to town the boys' row and a council of war was held, and before the fish had come to a conclusion a team had been sighted. The general went out and hailed the driver, while the rack and file were busy rolling it up the hill, and he took play on the boys and carried them to the keg and took to town. It was soon deposited in a barn, and the boys being anxious to treat their friend to a party on an invitation. Some of the boys had a "big thing" to do, and thought there would be no harm in letting some people know where they found it. The boys soon reached the ears of the owner, and by harkening to treat them with a few months' sojourn in our jail, and the boys knowing that other prizes had got their way out and taken away all the sheets, which was their last chance of escape, finally compromised the matter by paying about three pieces for the beer.

IMPORTANT TO TAXPAYERS.—We call the attention of all persons, partnerships, firms, associations, and corporations made liable to any annual duty, license, or tax to the fact that the law requires them to make their return to the Assistant Assessor of their district, of their annual income, the articles or objects charged with a special tax, and their business or occupation, on or before the first Monday of May next. A failure to comply with this requirement will subject them to an Assessment by the Assessor according to the best information he may be able to obtain, and an addition of fifty per cent. to the list by way of penalty for neglect of duty. The payment of annual taxes with the exception of licenses will not be demanded before the 30th day of June.

A WEALTHY and sensible gentleman in Troy, N. Y., is marrying his daughters to poor young men. Isn't that an example worth following by men of means and pretty daughters?

A GENEROUS GIFT.—We see by an exchange that the merchants of Chicago have presented to an editor of that city, a thousand dollars of printing paper, as a New Year's gift. We have a strong inclination to move to that country. Editors are evidently appreciated there. Here, instead of receiving presents, they make the public a present of several hundred dollars worth of printed paper every year; or, what amounts to the same thing, they send their papers to subscribers who promise to pay, but don't.

10-40's.—Some of our readers may not understand what 10-40 Loan means. It is this: The Plan is to run 40 years, but the Government reserves the privilege of paying the principal in any time (or ten years). The interest on these bonds is 5 per cent. payable in gold. This is a highly popular loan and attracting great attention from capitalists. Five per cent. in gold is at present equal to 8 per cent. of our present currency, besides the certainty that the principal will be paid in gold also. Over one million of these bonds were subscribed for in one day.

We copy the following from the Inbanc Journal because of its peculiar applicability to the country, hereabouts: "The luxury of living in the country is not more than half appreciated by the people in general. For instance, 'Prince Albert' potatoes are retailed in Inbanc from \$1.00 to \$1.50 per bushel. By Josiah Carpenter's Price Current, we notice that the same article was selling in New York on Saturday last for only \$1.00 to \$1.50 per barrel—or 38 to 50 cents per bushel! But then it costs something to transport it from the city to the country! And a large class of Whigs is quoted at about the same rates. How-

ever, we suppose people cannot expect to enjoy the luxury of living in the country for nothing. If they want to buy cheap potatoes, meats and provisions they must move to the city. Our farmers are not the men to sell to their own neighbors cheap as they would after transporting their produce to the city."

HON FOR IDAHO.—Large numbers of young men from this section of the State and Northern Pennsylvania are making preparations to seek their fortune in the new Eldorado—Idaho Territory—where the draft comes not and gold is to be had for the digging (all-arch hand digging, we reckon). We trust the reality may equal the romance of the thing, but instead of new gold discoveries, the late news from Idaho relates principally to the stern measures made there for the suppression of crime. The Grand Jury of Boise County has returned twelve indictments for murder, sixteen for assaults with intent to kill, and only one for manslaughter. A Vigilance Committee, numbering a thousand men, was making a clean sweep of the villains infesting Hilton Head County.—Elmira Press.

The subscriber will be receiving, almost daily from this date, April 17th, a new supply of Goods suitable to the early trade, in Dress Goods, Prints, Shawls, &c., also a full stock of Housekeeping Goods, such as Napkins, Towelling, Towels, Table Linens, Sheetings, &c., which will be sold at the lowest market rates.

HARPER'S WEEKLY.—Splendidly Illustrated. "The best, cheapest, and most successful family paper in the Union. Critical Notices of the Press.—Its fresh leaves, its clear type, its entertaining variety, its severe but just criticisms upon the follies of the times, its elegantly written and instructive articles, and its able correspondence, all combine to make it the model newspaper of our country, and one that every family must prize. Its condensed weekly summary of Foreign and Domestic Intelligence is altogether superior to that contained in any other journal. Being published, too, in a form for preservation and binding, if taken care of as it deserves to be, it will be found in future years as welcome a companion for the family and the student as the day on which it was first produced.—N. Y. Evening Post.

We would not so often call attention to Harper's Weekly if we were not so well satisfied that it is the best Family Paper published in the United States, and that for reason, and that alone, we desire to see it underwritten and root out a certain kind of literature too prevalent, which blunts the morals of its readers, vitiates their taste for sensible reading, and is already bad in its effects.—New London Advertiser.

Wherever we go—in rail-cars or steamboats—we find it seized with eagerness, because of its spirited sketches of passing events. We all like to look at the faces of men we have read of, and at ships and forts that have figured in the bloody scenes of war. Of all such men, and places, and events, this paper furnishes the best illustrations. Our future historians will catch themselves out of Harper's Weekly long after writers, and printers, and publishers are turned to dust.—N. Y. Evangelist.

TERMS.—One copy for one year, \$3; One copy for two years, \$5. An extra copy will be allowed for every Club of 125 Subscribers, at \$2.50 each, or 11 copies for every 100 Subscribers, at \$2.00 each. Single copies, together, one year, \$5. Harper's Weekly is electrotyped, and Back Numbers can be had at any time. Vol. I, II, III, IV, V, and VI, for the Years 1857 to 1862 inclusive, of Harper's Weekly, handsomely bound in Cloth extra, Price, \$4 33 each, or \$4 00 each, in paper covers. The postage will be paid in advance at the office where it is received. It is twenty-six cents a year. Address, HARPER & BROTHERS, Franklin Square, New York.

Farmer's Catechism.

Question. What is the best kind of Wooden beam? Answer. THE WIND PLOW. Ques. Wherein does it excel all others? Ans. In ease of draft, in being less liable to clog, and in fact it excels in every particular. Ques. Where does it come from? Ans. At the KNOXVILLE FOUNDRY, where they are made, and at various agencies around the country. Ques. Are there any other plows made at that Foundry? Ans. Yes! Biles makes various kinds of wooden and iron beam Plows, both for flat and side hill, and he keeps ahead of all other establishments by getting the BEST PATTERNS invented, without regard to the COST.

Ques. Are Plows that Bit makes? Ans. Yes! He also makes HORSE SHOES; a superb article for Cows, Potatoes, &c. ROAD SCRAPERS that beat the world. Cast Cultivator Teeth of a very superior pattern. Shovel Plow Castings for new land, and indeed almost every thing that is ever made at a Foundry, from a Boot Jack to a Steam Engine.

Ques. Would you then advise me to buy there? Ans. Most certainly would I, for besides making the best KIND of every thing, Biles makes those that are the most DURABLE and it is a common experience where his Plows have been introduced, that they last as long as from two to four years, and are worn out; he has always been at the business from a small boy and ought to know how it is done, and if you try his wares once, you will be ready with me to tell all wanting anything in that line to go, send, or take by express, or procure them of J. P. BILES, at the Knoxville Foundry, Knoxville, March 30, 1863-17.

PERINE'S CASH STORE!

IT is now past two years since the opening of our READY PAY STORE —AT— TROY, BRADFORD COUNTY, PA., since which time the public have awarded to us a GENEROUS PATRONAGE, we have been signally prospered. The PAY AS YOU GO PLAN has afforded us ample means, to prosecute our business in such a manner as to DEFY COMPETITION.

Perhaps no greater comment could be adduced to show the value of this plan than the perfect security afforded to the purchaser. He not only gets the value of his money, but has the full consciousness that he is a free man. Duns to him are things talked of but not realized. We do business Strictly for Cash, thereby saving a heavy tax which must be imposed on the purchaser, where a CREDIT BUSINESS IS DONE.

We purchase most of our Goods for Cash, offering them at a very slight advance FROM COST, preferring as we always have done from the commencement of our business to do a large trade for Small Profits, rather than run the risks which the losses attending a CREDIT SYSTEM involved. We therefore can and do offer to purchasers of DRY GOODS, the best assortment of Goods to be found in NORTHERN PENNSYLVANIA.

REMEMBER THAT THESE BITTERS ARE NOT ALCOHOLIC, AND CAN'T MAKE DRUNKARDS, BUT IS THE BEST TONIC IN THE WORLD.

READ WHO SAYS SO: From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia. I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects, that I have been prevailed upon to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus contributing to the health of others, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a run drink." Yours truly, LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicines in general, I am nevertheless of opinion that I have no objection to testify to the benefits he has derived from Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city. I was prejudiced against them for many years, under the impression that they were simply an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouraging me to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before. I had almost despaired of regaining. I therefore thank God and my friends very respectfully. J. H. KENNARD, Philadelphia, June 20, 1861.

From Rev. J. H. Kennard, Pastor of the 10th Baptist Church, Germantown, Penn. Dr. Jackson—Dear Sir—I have been frequently requested by my family to recommend the German Bitters, and I have no objection to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility, it has been greatly benefited by the use of the Bitters, and doubt not they will produce similar effects on others. Yours, truly, WARREN RANDOLPH, Germantown, Pa.

From Rev. J. H. Turner, Pastor of Hedding M. E. Church, Philadelphia. Dr. Jackson—Dear Sir—I have used your German Bitters in my family frequently. I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge. Yours, respectfully, J. H. TURNER, No. 726 N. Nineteenth Street.

From the Rev. J. M. Lyons, formerly Pastor of the Colim-bus (N. Y.) and Middletown (Pa.) Baptist Churches, New Rochelle, N. Y. Dr. C. M. Jackson—Dear Sir—I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with very beneficial result. I have often recommended them to persons afflicted by the same complaint, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed. J. M. LYONS.

Large Size (holding nearly double quantity), 50 CENTS per Bottle—half, doz. \$3 00 Small Size—75 cents per Bottle—half, doz. \$4 80 BEWARE OF COUNTERFEITS! See that the signature of "C. M. JACKSON" is on the WRAPPER of each Bottle.
