

Letters from the Army.

Confidence felt in Generals by the men, has perhaps never been so tried and tested as in the Army of the Potomac.

The present champion of the military arena is General Grant. The Army of the Potomac is to be favored with his immediate presence during the approaching campaign.

But they are encouraged by the manifest preparations, which will give them another chance to average the deaths of their comrades.

Let the people rejoice as faithful to their country's interests in the coming season, as the Army of the Potomac will in the coming campaign.

CHARLES PARKNER, "K" Reserves.

The Origin of Phrases: "He cuts a Dido." It is told in history, that Dido, a queen of Tyre, about 780 years before Christ, fled from that place on the murder of her husband.

"He's caught a Tartar." In one of the famous wars between Carthage and Rome, about 2,500 years ago, Hannibal, the Carthaginian leader, led his army into Italy.

"Carrying the war into Africa." In one of the famous wars between Carthage and Rome, about 2,500 years ago, Hannibal, the Carthaginian leader, led his army into Italy.

A Bit of Romance. When the bloody battle of Gettysburg was raging hotly, a young Lieutenant, who was bravely leading his men in the front line, fell in the moment of making a victorious charge.
