MONEY RECUMBED IF IT TALLS TO GIVE SATISFACTION.

For Diptheria, Colds, Conglis, Sore Throat, or Hoarsones, its equal is not to be found. When taken in time, or immediately after an exposure, the effects are astonishing. Two or three doses will throw cilt the cold and perform a cure, and prevent the setting in of the fever and cough that usually follow a cold, which always racks the system, often leading to diptheria and consumption. It is highly necessary, therefore, that the remedy be administered in time.
