First National Bank of Wellsborough.

THE BINK is a fixed fact, as any one tak preadily see by slepping into the counting roam in thi build-ing farmerly occupied by C. & J. L. Rohinson as a

dry goods store. The bills of the new bank, "The First Kational Bank of Wellsborough," are beginning to preulate in this vicinity, and they meet 'a cordial rec'ption .-The National Banks, as most of our readers know, are based on government bonds, which are deposited with the proper officers in Washington, and hold there se a security for the bill-holders. No ban h of this kind can so fail as to make the holders offits bills sider. The Government looks after the relimption of the bills, on the failure of the bank; and i ptil our venerable "Uncle Samuel" ccases to exist, h Il-hold-.ars can rest assured that, whether the ban! gi 's up or .down, they are safe. These bills are cr the same velue all over the country. The Governmeal seceives them upon the same footing with "green fucks," for all taxes and government dues. They are therefore preferable to the bills of State banks, either a cir-

ulating medium, or to lay up. The officers are gentlemen well known t, fim people colating medium, or to lay up.

THE NEW LOAN .- We call attention of all wish-

vertisement of the new National Loan known as the

10-40s. It is limited to two hundred millions of

dollars, and the subscriptions are already flowing in

rapidly. It is payable in forty years in gold, and the

government reserves the privilege of paying it in ten

years if it chooses. The interest is five per cent pay-

able semi-annually in gold, thus making it at the

present rates of gold about equal to eight per cent in-

terest. Thus the patriotic effort to aid the Govern-

The subject of the above notice was one that started in response to the late call of President Lincoln for three hundred thousand, to mingle with the brave combatants in suppressing this awful rebellion. The motive that called him hence is worthy of note; considering the briefness of his years. His parents tried to persuade him that he was too young, and had not better go. But with the bravery of the Spartan, Leonidas, he replied: This rebellion has got to as dural. My poing may save some one that has to go down! APRIL, 1864;-

From the Ray. Jos. II, Kennard, Pastor of the 10th Bap-tist Church.

tist Church. Dr. Jackson :--Dear Sir:--I have been frequently request ed to connect my name with commondations ag different kinds of medicines but regarding the practice as but of my appropriate sphere, I have in sil cases declined; but with a clear proof in various instances, and particularly in my fam-ily, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course; to express my full conviction that, for general debility of the system and supe-tially for Liver Complaint, it is a safa and valuable propara-tion. In some cases it may fail; but usually. I doubt not, it will be very beneficial to thuse who suffer from the above cause. Yours, very respectfully. J. H. KENN ARD, Eighth below Coates Street, Philadelphis.

From Rev. Warren Randolph, Pastor of the Baptist Church, Germantown, Penn. Dr. C. M. Jackson :--Dear Sir :--Personal experience ens-bles me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefitted by the use of the Bitters, and doubt not they will produce similar effects on others. Yours, truly, WARREN RANPOEPH, General Park Germantown, Pa

From Rev. J. H. Turner, Pastor of Hedding M. E. Church, Philadelphia.

Philadelphia. Dr. Jackson; --Dear Sir: --Having used your German?Bit-ters in my family frequently, I am prepared to say that is, has been of great service. I believe that in most cases of general debility of the system it is the safest and most val-nable remedy of which I have any knowledge. Yours, respectfully, J. H. TURNER, No. 726 N. Ninsteenth Street.

From the Rev. J. M. Lyons, formerly Pastor of the Colum-bus (N. J.) and Milestown (Pa.) Baptist Churches. Dr. C. M. Jackson; — Dear Sir; — I feel it a pleasure thus, of my own accord, to hear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with very beneficial results. I have often recommended them to persons enfeebled by that for-menting discuse, and have heard from them the most flat-tering testimonials as to their great value. In cases of gen-oral debility, I believe it to be a tonic that cannot be sur-passed. J. M. LYONS.
