Robbed from the Safe of the Tioga County Bank.

The Jersey Shore Herald is the name of a neat little paper recently started at Jersey Shore, Lycoming County, Pa.

It is stated by dealers in lumber, that the lumber business has not been so brisk for the last ten years as it is at present.

BANK ROBBERY.—The Tioga County Bank was entered and the safe broken open on Wednesday night, 25th ult.

The printers of Atlanta, Georgia, having "puck" for \$1.57 per thousand ems, the four journals published at that place have been compelled to suspend publication.

GIRLS AT THE "CASE."—The proprietors of the Rochester Union announce that they are prepared to receive into their office a number of ladies who desire to become familiar with the art of type setting.

The following was posted in his house a few days ago by a Poughkeepsie business man:

YOUNG AMERICA.—A young girl accompanied Miss ——— to church not long since, and when "meditation" was out, he offered her his arm.

HEAVY ROBBERY.—\$15,000 STOLEN.—The residence of Mr. D. Brainard Nelson on William street in this city was burglariously entered on Thursday night.

A FRIEND tells us of a girl, about nineteen years old, whose name we are not at liberty to disclose.

U. STATES CHRISTIAN COMMISSION.
HEADQUARTERS—18th Army Corps.

Dear Sir:—I had scarcely closed my eyes last Friday, when the booming of cannon told us of an engagement to the right.

April 27, 1864. United States 10-40 Bonds. THESE BONDS are issued under the act of Congress of March 8th, 1864.

These Bonds are issued under the act of Congress of March 8th, 1864, which provides that all bonds issued under this act shall be EXEMPT FROM TAXATION by or under any State or municipal authority.

Subscribers will receive either registered or coupon bonds, as they may prefer. Registered bonds are recorded on the books of the United States Treasurer.

Subscribers to this loan will have the option of having their bonds draw interest from March 1st, by paying the accrued interest in coin.

Exempt from Municipal or State Taxation, their value is increased from one to three per cent per annum, according to the rate of tax levies in various parts of the country.

It may be useful to state in this connection that the total Funded Debt of the United States on which interest is payable in gold, on the 31st day of March, 1864, was \$763,965,000.

It will be seen that even the present gold revenues of the Government are largely in excess of the wants of the Treasury for the payment of gold interest.

Instructions to the National Banks acting as loan agents were not issued from the United States Treasury until March 26th, but in the first three weeks of April the subscriptions averaged more than TEN MILLIONS A WEEK.

Subscriptions will be received by all NATIONAL BANKS which are depositaries of Public money, and all RESPECTABLE BANKS AND BANKERS throughout the country.

AFFORD EVERY FACILITY TO SUBSCRIBERS. May 18, 1864-3mos.
