Mr. & Mrs. Acitaton are greatly obliged to Miss IBENE Toles, of Chatham, for a basket of splendid blackberries. Who remembers the printer hall not be forgotten.

THE new 7-30 loan is, as it deserves the, very popular. The subscriptions daily, average over a million of dollars. It is, in all respects, the most patriotic of all investments.

DEDICATION .- The new M. E. Church & Judson Hill, Bradford county, will be dedicated (2). V.) on Incesday, Aug. 30. Preachers and friends as universally invited to attend.

Now that the rain is over, we will give currency to the suggestion of a friend which seems to vs capital. It is, that in place of pic-nics, the people of every reighborhood devote one day to blackbert ing, the proceeds to be given to the soldiers. Many bushels of berries would thus be secured. Let the indies set it afoot and the thing is done.

The citizens of Wellsboro held a meeting Monday evening to consider the propriety of paying a bounty for volunteers. After some desultory conversation it was voted inexpedient to offer a bounty at present. Not being a considerable taxpayer, we cann't properly discuss the subject; but we guess the Folicy adrecated will prove somewhat like that adopted by the men who double-locked his stable after his he rse was stolen. If there are any here willing to volunteer, let us raise the bounty by subscription.

Pic-Nic.-The public are very respectfully invited to attend a pic-nic, to be held in the grove near the Close School House, in Chatham township, on Satur day, Sept. 3d, 1864, given by the Ladies of the Soldiers' Aid Society of Chatham Valley, for the benefit, of our sick and wounded soldiers. Exercises will commence at 10 o'clock A. M.

Mesers. S. F. Wilson, J. B. Niles, and M. H. Cobb, will address the gathering. Rev. Mr. Howe will officiate as Chaplain of the

E. Inene Toles, Sec'y. DEATHS OF TIOGA SOLDIERS .- We find reported in

the Philadelphia Press of Saturday, the death of Josish L. Butler, of the 45th regiment, resicient of Delmar, and Delon Catlin, Co. A; 187th 'regiment, resident of Charleston.

Mr. Butler was wounded in the shoulder in the battle of Spottsylvania. The wound was serious, and necessitated the removal of some inches of the bone. We saw him in hospital several times and collid but admire the indomitable pluck and patience of the boy. The surgeon was then confident of his recovery. He was a brave soldier and earnest.

We do not know the particulars of the death of Mr. Catlin, and defer further remarks for the present.

HAND ON PRINTERS.—Paper is now 30 conts per pound out in the Cattskill country, and the Recorder. (JOE HALL's paper) reaches us this weel shorn of nearly one-half its bitherto fair proportions. His case is but a repetition of hundreds of country publishers who have sold their wares at old prices. without reference to the tromendous advance in every article used in carrying on the business. But for this savance, we should have issued the present initial number of the 11th volume of The Agitator in a considerably enlarged form. When we procured our new press it was our intention, to enlarge the paper. But prudence overcomes pride, and with pather ruling so high as it does now, our friends will excise us if we decline business suicide. The capacity of our new machine is sufficient to print a paper con third larger than this, at the rate of 600 per hours

THE QUOTAS.—Several townships have taken the

work of filling their quotas under the lart call, in hand, and are vigorously pushing the work & Rutland offers a local bounty of \$300, and Mr. E. Backer is recruiting a company. The citizens of Charleston met in the Dartt Settlement Church on Saturday evehing, John Bailey, Esq., in the Chair, and after interesting deliberations, the proposition to offer a \$300 lounty to be raised by taxation, and an additional \$100 by subscription, was adopted with but one distenting vote. The meeting was very lar e, and was appropriately addressed by Messre. H. V. Williams, " A. Elliott, and others. Captains Elliott and Hammind have been authorized to raise com naics for a new regiment, and have circulated posts is with infermation respecting bounty, pay and pieces of musur. Recruits for these companies from Jelmar, will

be mustered in at Wollsboro, Aug. 31, at 3 10 m. Delmar pays \$300 bounty. Middlebury and Farmington pay a like sum, and Mr. D. A. Clurk of Middiebury, has been commissioned to recruit a compary. The Seven-Thirties-What are thay?

We trust that a large portion of our graders have rendered the appeal of Mr. Fessenden, the new Secretary of the Treasury. It is secure. Every dollar of every mixes property is pledged for the punctual payment of the interest, and of the debt when due. The security is increating in value. For some years before the war we were earning 1000 millions a year more then we spent. During the three years of the war, owing to the high prices and constant demand for labor, we have earned have than ever before. No man who could or-would prices and constant demand for labor, we have earned more than ever before. No man who co id or would work hes been idle; and, except for the 'ren, we have stent less than before. The total val 3, ion of the Property in the United States, according 3 the census of 1800, was \$16,150,000,000, of which \$10,957,448,558 was in the Loyal States. small saving. It is in every way the best Savings' Bank; for every institution of this kind must somehow invest its deposits profitably in order to pay interest and expenses. They will invest largely in this loan, as the best investment. But from the gross interest which they receive they must deduct largely for the expenses of the Bank. Their asual rate of interest allowed to depositors is 5 per cent. upon sums over \$500. The person who invests directly with Government will receive almost 50 per cent, more.— Thus the man who deposits \$1000 in a savings' Bank receives 50 dollars a year interest; if he deposits the same sum in this National Savings' Bank he receives same sum in his National Savings Bank he receives 83 dollars. For those who wish to find a safe, convenient, and profitable means of investing the surplus earnings which they have reserved for their old age or for the benefit of their children, there is nothing which presents so many advantages as this National Loan.

It is convertible into a six per cent. gold bearing bond.— At the expiration of three years a holder of the notes of the 7.30 loan has the option of accepting payment in full or of funding his notes in a six per cent. gold interest bond, the principal payable in not less than five nor more than twenty years from its date as the Government may elect. For six months cent these honds have reproduct a new range premium past, these bonds have ranged at an average premium of about eight per cont. in the New York market, and have sold at 109 to-day (Aug. 12th), thus making the real rate of interest over ten per cent.; and besides, to make the inducement even greater, Congress by special act exempts its Treasury notes from state and municipal texation. Ladies, take Particular Notice. THE REAL VELPAU FEMALE PILL. [WARRANTED FRENCH.]

THESE PILLS, so celebrated many years ago in Paris for the relief of female gularities, and afterward so notorious for irregularities, and afterward so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in comparative obscurity from the fact that the originator, Dr. Velpau, is a physician in Paris of great wealth and strict conscientious prin-ciples, and has withheld them from general use, lest they should be employed for unlawful purposes. In overcoming Female Obstructions, Falling of the Womb, Whites, Green Sick-ness, Suppression, Retention, or Immoderate Flow of the Monthly Discharges they seem Flow of the Monthly Discharges, they seem to be truly omnipotent, bursting open the flood-gates from whatever cause may have stopped them; but they are offered to the public only for legitimate uses and all constitutions. lic only for legitimate uses, and all agents are forbidden to sell them when it is understood that the object is unlawful. Married ladies should never take them when there is any reason to believe themselves pregnant, for they will be sure to produce a miscarriage

READ WHO SAYS SO: From the Rev. Levi. G. Beck, Pastor of the Esptist Church Pemberton, N. J., formerly of the North Esptist Church Philadelphia.

I have known Hoodand's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofsand's Bitters is intended to benefit the afflicted, and is "not a rum drink."

Yours truly.

LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclo-pedia of Religious Knowledge, Although not disposed to favor or recommend Patent Med Although not disposed to favor or recommend Patent Med Icines in general, through distrust of their ingredients and effects, I yet know of no smificient reasons why a man may not testify to the benefits he believes himself to have received from any simple proparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hooflands German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was projudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemsker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these litters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

PHILARELPHIA, JUNE 20, 1861. J. NEWTON BROWN.

From the Rev. Jos. H, Konnard, Pastor of the 10th Baptist Church.

Dr. Jackson: —Dear Sir: —I have been frequently request ed to connect my name with commendations of different kinds of medicines but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instruces, and particularly in my family, of the usefulness of Dr. Hoofind's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may full; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause. Yours, very respectfully, J. H. KENNARD,

From Rev. Warren Randolph, Pastor of the Baptist Church, Germantown, Penn. Germantown, renn.

Dr. C. M. Jackson; —Dear Sir: —Porsenal experience ensbles me to say that I regard the German Bitters prepared by
you as a most excellent medicine. In cases of severe cold
and general debility I have been greatly benefitted by the
use of the Bitters, and doubt not they will produce similar
effects on others. Yours, truly, WARREN RANDOLPH,
Germantown, Pa.

From Rov. J. H. Turner, Pastor of Hedding M. E. Church, Philadelphia. Philadelphia.

Dr. Jackson; — Dear Sir: — Having used your German Bitters in my family frequently, I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge.

Yours, respectfully, J. H. TURNER.

New Rochalle, N. Y.

Dr. C. M. Jackson;—Dear Sir;—I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with very beneficial results. I have often recommended them to pursons enfectled by that tormenting disease, and have heard from them the most fiattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed.
