## U. S. 7-30 Loan.

THE SECRETARY OF THE TREASURY gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from August 15, 1864, with semi-annual interest at the rate of 7-310ths per cent, per annum,—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity, into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect, They will be issued in denominations of \$50, \$100, \$500, \$1.000 and \$5,000, and all subscriptions nust be for fifty dollars or some multiple of fifty dol-

The notes will be transmitted to the owners free of of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepar-

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit. Parties depositing \$25,000 or upward for these notes at any one time will be allowed a commission of one-quarter of one per cent., which will be paid by the Treasury Department upon receipt of bill for the amount, certified to by the officer with whom the deposit was made. [No deductions for commissions must be made from deposits.

Special Advantages of this Loan. It is a National Savings Bank, offering a higher rate of interest than any other, and the best security. Any Savings Bank which pays its depositors in U. S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a permanent or tempo rary investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collaterals for discounts.

Convertible into a 6 per cent 5-20 Gold Bond.

In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the curaent rate for 5-20 Bonds is not less than nine per cent. premium, and before the war the premium on United States stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent per annum. Exempt from State or Municipal Taxation.

But aside from all the advantages we have enumorated, a special Act of Congress exempts all Treasury notes and bonds from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country. .

It is believed that no securities offer so great inducements to lenders as those issued by the government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies. or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the and increase. Customers from discharge of all the obligations of the United States. While the government offers the mest liberal-terms

for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people. Duplicate certificates will be issued for all deposits. The party depositing must endorse upon the originalcertificate the denomination of notes required, and whether they are to be issued in blank or payable to order. When so endorsed it must be left with the officer receiving the deposit, to be forwarded to the

Treasury Department. Subscriptions will be received by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositaries, and by the FIRST NATIONAL BANK OF TOWANDA. and by all National Banks which are depositaries of public money, and ALL RESPECTABLE BANKS and BANKERS throughout the country will give fur-

Ladies, take Particular Notice. REAL VELPAU FEMALE PI WARRANTED FRENCH.

THESE PILLS, so celebrated many L years ago in Paris for the relief of female irregularities, and afterward so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in comparative obscurity from the fact that the originator, Dr. Velpau, is a physician in Paris of great wealth and strict conscientious prinof great wealth and strict conscientious principles, and has withheld them from general use, lest they should be employed for unlawful purposes. In overcoming Female Obstructions, Falling of the Womb, Whites, Green Sickness, Suppression, Retention, or Immoderate Flow of the Monthly Discharges, they seem to be truly omnipotent, bursting open the flood-gates from whatever cause may have stopped them; but they are offered to the public only for-legitimate uses, and all agents are lic only for legitimate uses, and all agents are forbidden to sell them when it is understood that the object is unlawful. Married ladies should never take them when there is any reason to believe themselves pregnant, for they will be sure to produce a miscarriage.

These pills are entirely safe under all circumstances, being composed entirely of substances from the vegetable kingdom.

Each box has the coat of arms for the City of Paris stamped on the box, with the words

"Trade Mark" in French, to counterfeit which is a misdemeanor, and all persons will be dealt with according to law.

Full directions accompany every box.

\* I have known Hoofiand's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofiand's Bitters is intended to benefit the afflicted, and is "not a rum drink." LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Med leines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hooflands German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Eaq. for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

PHILIPLIFITA, JUNE 20, 1861.

J. NEWTON BROWN.

From the Rev. Jos. H, Kennard, Pastor of the 10th Bap-From the Key. Jos. In Remnary, Factor of the Noise Capties Church.

Dr. Jackson: —Dear Sir: —I have been frequently request ed to connect my name with commendations of different kinds of medicines but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my family, of the usefulness of Dr. Hoodand's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause. Yours, very respectfully, J. H. KENNARD,

Dr. Jackson; —Dear Sir: —Having used your German Bitters in my family frequently, I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge.

Yours, respectfully,

From Rev. Warren Randolph, Pastor of the Baptist Church, Germantown, Penn. Dr. C. M. Jackson; — Dear Sir: — Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of sovere cold and general debility I have been greatly benefited by the use of the Bitters, and doubt not they will produce similar effects on others. Yours, truly, WARREN RANDOLPH, Germantown, Pa.

From the Rev. J. M. Lyons, formerly Paster of the Columbus (N. J.) and Milestown (Pa.) Baptist Chnrches.

Dr. C. M. Jackson;—Dear Sir;—I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the dearman Bitters. Some years since being much sflicted with Dyspepsia, I used them with very beneficial results. I have often recommended them to persons enfeedled by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed.
