NIMBLE SIXPENCE. TROY, Qet. 6, 1964

From Rsv. J. Nawton Erown, D. D., Editor of the Encyclopedia of Religious Knowledgo.
 Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he befleres himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.
 I do this the more readily in regard to Hooffands German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chieffy an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Equ. for the sement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, and followed by erident relief, and restoration to a degree of bodily and had almost despaired of regaining. I therefore thank Gol and my friend for directing me to the use of them.

Dr. Jackson :--Dear Sir:--I have been frequently request ed to connect my name with commendations of different kunds of medicines but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my fam-ily, of the usefulness of Dr. Hoofand's German Bitters, I depart for once from my usual conrise, to express my full conviction that, for general debility of the system and espe-cially for Liver Complaint, it is a safe and valuable prepara-tion. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the abore cause. Tours, very respectfully, J. H. KENNARD, Righth below Coates Street, Philadelphia.

Thindelphia. ters in my family frequently, I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most val-nable remedy of which I have any knowledge. Yours, respectfully, J.H. TURNER, No. 726 N. Nineteenth Street.

From the Rev J. M. Lyons. formerly Pastor of the Columbus (N. J.) and Milestown (Pa.) Baptist Chnrches. New Rochelle, N. Y. Dr. C. M. Jackson; — Dear Sir; — I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with very beneficial results. I have often recommended them to persons enfeabled by that tor-menting disease, and havo heard from them the most flat-tering testimonias as to their great value. In cases of gen-eral debility, I believe it to be a tonic that cannot be sur-passed. D. D. D. C. D. M. LYONS.
