Ladies, take Particular Notice. THE REAL VELPAU FEMALE PILL. WARRANTED FRENCH.]

THESE PILLS, so celebrated many years ago in Paris for the relief of female irregularities, and afterward so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in comparative obscurity from the fact that the originator, Dr. Velpau, is a physician in Paris of great wealth and strict conscientious principles, and has withheld them from general use, lest they should be employed for unlawful purposes. In overcoming Female Obstructions, Falling of the Womb, Whites, Green Sickness, Suppression, Retention, or Immoderate Flow of the Monthly Discharges, they seem to be truly omnipotent, bursting open the flood-gates from whatever cause may have stopped them; but they are offered to the pub-lic only for legitimate uses, and all agents are forbidden to sell them when it is understood that the object is unlawful. Married ladies should never take them when there is any

reason to believe themselves pregnant, for they will be sure to produce a miscarriage. These pills are entirely safe under all cirrunstances, being composed entirely of sub-stances from the vegetable kingdom.

Each box has the coat of arms for the City of Paris stamped on the box, with the words "Trade Mark" in French, to counterfeit which is a misdemeanor, and all persons will be dealt

with according to law.

Norming that is not wholesome, genial and restorative in its nature, enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains he mineral of any-kind, no deadly botanical element; no iters are the treatment of the extracts of tare balsamic herbs and plants, with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and, so far as the human system can be protected by human means against maladiss engendered by an unwholesome atmosphere, impure water, and other external causes, HOSTETTER'S BITTERS may be relied on as a safeguard.

In districts infested with Ferer and Aque, it has been found infallible as a preventive, and irresistible as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to svail themselves of its productive qualities in advance, are cured by a very brief course of this marvelous medicine—Fever and Ague patients, after being piled with quinine for months in vain, until Tairly saturated with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of HOSTETTER'S BITTERS.

The weak stomach is rapidly invigorated and the appetito restored by this agreeable tonic; and hence it works wonders in cases of DYSPESHA end in less confirmed forms of Individual and the constitution of the digostive and secretive organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Languar' find prompt and per manent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Billors' Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

As a general tonic, HOSTETTER'S BITTERS produce of feets which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Fremature Decay, and Debility and Decrepitude arising from old age, it excreises the electric influence. In the convalescent stages of all diseases, it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is The Only Safe Simulant, being manufactured from sound and inocuous materials, and entitely free from the acid elements present more or less in all the ordinary tonics and stompachies of the day

No family medicine has been so universally, and, it may be truly added, deservedly popular with his intelligent portion of the community, as HOSTETTER'S BITTER'S.
