

THE AGITATOR

LOCAL AND MISCELLANEOUS

Wellsboro, Wednesday, Oct. 26, 1884

PRESIDENTIAL ELECTION

TUESDAY, NOVEMBER 4

REPUBLICAN MASS MEETING

COL. JOHN W. FORNEY

Editor of the "Press," Philadelphia

will address the people of Tioga County, at 2 o'clock, SATURDAY, Oct. 29, at 2 o'clock, P. M.

President: Hon. R. G. WHITE

Marshal: Maj. A. E. NILES

Assistant Marshals: Lieut.-Col. F. M. WELLS, Maj. G. W. MERRICK, SELAR SATTERLY, BENJAMIN POTTER.

Every Union League should at once take steps to send a good delegation from its vicinity.

The Wellsboro Band will be in attendance at the RALLY FOR THE UNION!

WOOD—Those who have agreed to bring wood in payment of subscription, are notified to deliver it immediately.

J. H. MARTIN, of Addison, N. Y., has thoroughly renovated, and established himself as manager of the Western Exchange Hotel, Knoxville, Pa.

Cobb, of the Tioga Agitator, is obliged to Mr. Smith "for a splendid basket of winter apples. What was that basket made of that it was a splendid basket?"

Meetings are being held in the various localities, addressed by Messrs. Williams, Campbell, Niles, Mitchell, W. H. Smith, DePuy, and others, in behalf of the Union.

SOLDIERS' FUNERALS.—The body of WRIGHT, a member of Co. I, 45th P. V., was brought home on Saturday, and buried in the Cemetery, on Sunday at 3 o'clock.

The Aid Society forwarded to the Sanitary Commission, Sept. 3d, box No. 25, containing 46 bottles cordial, 4 bottles spiced blackberry, 1 bottle spiced raspberry, 4 quarts dried currants, 6 quarts dried blackberries, 7 quarts dried raspberries.

We now ask for donations of pickles; we will be in readiness at the Society rooms to receive them as they are brought in.

A load of wood would be very acceptable in our room. We trust that all friends interested in this cause will lend a helping hand, and attend to the society, as the soldiers need all the aid we can give them.

Good—A friend relates to us the following story as having been done in Union township, many weeks ago: At Mr. Samuel Irvin, a soldier, was proceeding along the Canton road in company with his brother's wife and child.

They were accosted by four young copperheads, who inquired of them, "Who are you for, O'Connell or McClellan?"

Upon this the coppers made use of some obscene language and swore they would whip the old man.

Irvin thereupon told them to come on at a time, and he would fog the whole lot.

He then proceeded to collect them, and furnished each with a pair of blacked iron shoes to let them off, and were suffered to depart.

Here is another case of suppression of the truth by a "Lincoln hireling." What a monstrous lie is it that Copperheads should not be permitted to visit women on the highway!

[From the Columbia Spy.] The following communication was received on Thursday last, from Capt. J. B. Dibelber, who has been a long time on the route:

NEAR PETERSBURG, Va., July 31st, 1864. MR. RAYMOND: Enclosed I send you a copy of the 4th P. V., captured yesterday.

Reeve G. Richards, Capt. Co. G. John B. Dibelber, Capt. Co. B. Luke D. Seeley, 1st Lieut. Co. H. Valdo C. Vannine, 1st Lieut. Co. A. James E. Catlin, 2d Lieut. Co. I. David Williams, Ross Strickland, Jan. Feb. David Skapp, Co. A. Joseph Bell, Henry Felt, David Dub, David Mattis, John Trayer, of Col. S. S. Knapp, F. R. Shope, A. L. Bartlett, J. H. Mitchell, Theodore, McMichael, James Rodgers, of Co. G. W. C. D. Williams, Almy, of Co. J. John Johnson, Sam. H. Hall, Charles Roberts, of Co. G. Sgt. Geo. W. Truman, W. H. L. Gou, of Co. I. Green, of Co. H. H. Boyle, Abraham Gou, of Co. K.

The above are all well with the exception of a few slightly wounded. Yours, JOHN B. RIBEROLLE.

EXTRA BUSINESS COLLEGE.—This institution is under the able and efficient supervision and management of Prof. Warner & Smith, has already attained a highly flourishing and creditable position.

Their numbers are so rapidly increasing that it is necessary to remove their College from its present elegant and commodious apartments in Holladay's Hall early in November.

Arrangements are being made for the establishment of a Banking House, Commission House, Wholesale Dry Goods House, Railroad Office, Broker's Office, etc., in each of which the business will be conducted in a practical, systematic and understanding manner.

Those who are familiar with this method of business training can fully comprehend the benefits this college is conferring upon the young, who, within six weeks, are receiving that practical education which is so necessary to success in business, usefulness and wealth.

Qualifications of the Faculty for their respective departments are too well known to need any commendation from us.

In its location, its course, its system, its beautiful diploma, its splendid penmanship, and the high appointments as a first class Commercial College, we hesitate not in saying it has no superior.

Reduce! We have elected 17 Commissioners from the 19 State Senators; 60 Members of the lower House!

Pole Raising at Tioga.

TIOGA, September 18, 1864.

FRIDAY EVENING, DEAR SIR: Saturday evening we had a little oration here in the shape of a "pole raising."

The "Pillsbury Democracy" had raised a diminutive hickory, at the time of the great Democratic rally, at which there were twenty-nine "heroic men" assembled to listen to that same Pillsbury, who, by the way, is said by one of his opposites in this Boro to be an escaped Rebel prisoner. This "Jackson pole," as they call it, is a close neighbor of the Hotel of Mr. J. H. Wells; so that it became necessary for Mr. Farr to declare his position. Hence he caused a Lincoln pole to be raised next his hotel, Saturday evening. It is a very beautiful pole, bearing the names of Abraham Lincoln and Andy Johnson, as a tribute to the Sham Democracy of "Little Mack, the Unready."

It so happened that our friend, Geo. M. DePuy, Esq., of Williamsport, was here upon a short visit to his native place, and he consented to address the meeting. The whole affair was entirely impromptu and a complete success. Young America was out in full strength, and the boys listened to the speech with close attention and great satisfaction. It is a good sign to see the young of the land thus early articulating such interest in the cause of their country. When those who now control the affairs of the country shall have passed away, they may rest assured that these young and intelligent Americans will not surrender their birth-right to the enemies of Free Government! The speech gave entire satisfaction and the friends of the Union are proud to find so able an advocate of their principles in the person of a native of our own village.

U. S. 7-30 Loan.

THE SECRETARY OF THE TREASURY gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from August 15, 1864, with semi-annual interest at the rate of 7-30ths per cent. per annum, principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity, into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared.

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing \$25,000 or upward for these notes at any one time will be allowed a commission of one-quarter of one per cent, which will be paid by the Treasury Department upon receipt of bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from deposits.

Special Advantages of this Loan.

It is a National Savings Bank, offering a higher rate of interest than any other, and the best security. Any Savings Bank which pays its depositors in U. S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a permanent or temporary investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collateral for discounts.

Convertible into a 6 per cent 5-20 Gold Bond.

In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is not less than nine per cent. premium, and before the war the premium on United States stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum.

Exempt from State or Municipal Taxation.

But aside from all the advantages here enumerated, a special Act of Congress exempts all Treasury notes and bonds from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country.

It is believed that no securities offer so great inducements to lenders as those issued by the government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States.

While the government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people.

Duplicate certificates will be issued for all deposits. The party depositing must endorse upon the original certificate the denomination or notes required, and whether they are to be issued in blank or payable to order. When so endorsed it must be left with the officer receiving the deposit, to be forwarded to the Treasury Department.

Subscriptions will be received by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositories, and by the FIRST NATIONAL BANK OF TOWANDA, and by all National Banks which are depositories of public money, and ALL RESPECTABLE BANKS and BANKERS throughout the country will give further information and afford every facility to subscribers.
